3. **Rule on Minimum Age of Exhibitors:** Due to incidents that have happened at other fairs in our area, the Fulton County Fair board of directors enacted a rule to have a minimum age of 5 years for exhibitors who enter Beef Cattle, Dairy Cattle or Swine. The exhibitor safety is of utmost importance to the Fulton County Fair and we encourage exhibitors who do not meet the age requirement to start out with smaller animals, goats, sheep, poultry or rabbits.
4. The official age for Junior Livestock Exhibitors is 13-19 years. Exhibitors who are married or have been married must show in the Open Show.

6. Only purebred, pureblood (one purebred parent) livestock or animal equal to Breed Association Herd Book quality are admitted to the fair. (Poultry, rabbits and commercial and market classes are exempt).
7. All disputes and misunderstandings shall be settled by the chairman of the department in which they occur or by the Fulton County Fair Executive Committee.
8. All livestock must be handled by the owners or their authorized representative. Any animal that is not exhibited before the judge, unless granted permission, is automatically disqualified. All livestock must be halter broke or show in pen classes.

9. Health regulations are printed in the fair tabloid and on the Fulton County Fair website and are issued by the Livestock & Poultry Commission. Health certificates are required. In the event a disease is detected the owner will be asked to remove the animal from the fair. In case of dispute, fair officials will have authority to call a veterinarian at the expense of the owner. The Fulton County Fair Association reserves the right to have a blood and urine laboratory analysis made for any market animals at the county fair. Any exhibitor administering a drug to an animal which would render the carcass unfit for human consumption or any exhibitor of an animal producing an analysis indicating the presence of an unapproved drug that can result in a quantitative or qualitative change in the characteristic of the animal will be required to return all premium money and could be banned from further competition at the county fair. Their name and lab analysis will be submitted to the USDA for further investigation and possible prosecution. Any animal receiving medication for any life threatening disease or illness must be registered at the time they are entered in the fair.
10. Livestock entries will be limited to two animals per class per exhibitor.
11. All Fulton County 4-H club and FFA members who make livestock entries will be eligible to compete for the Showmanship Awards and will not compete against out-of-county exhibitors.
