

2014-Host Pack and Agency Information

Thank you for considering hosting or sponsoring a PSTC course in your region. Our “host packet” gets the ball rolling! Communication between our hosts and PSTC is vital to providing the best class possible. We know that you are busy. We will do most of the time-consuming tasks. **The “FAX BACK” pages must be sent to us before we will confirm a date.** Call Instructional Coordinator Kevin Willett at 650-591-7911 x102 or e-mail kevin@pstc911.com with questions. When you are done with this packet, please fax it to 650-591-8911 or e-mail it to Kevin.

In addition to the FAX back, there is some regional information we need to help promote the classes. We ask that you get the following information to us as soon as you can.

A mailing/fax list: This should include the 40 closest agencies, their training manager’s names, e-mails, phone numbers, fax numbers and agency mailing addresses. In lieu of 40, we basically market to the area within a 3 hour drive time to the class facility. We handle advertising via mail, e-mail and fax. We ask that you help pass the word via local teletypes, training bulletins/calendars, training managers meetings or APCO/NENA chapter meetings. You can get teletype information from Debbie@pstc911.com or call us at 650-591-7911.

Classroom Needs: We will need an LCD Projector (often referred to as a PowerPoint projector) and something like a whiteboard or flip chart for each class. We bring the laptop for the projector and provide you with a handout master for duplication in advance of the class. Duplication of our handout is required. Snacks each morning are your responsibility.

Please ask us if you have any questions at all! We want to ensure a smooth operation for you with no surprises! Call Kevin Willett (X-102) or our support staff (X-105) with your hosting questions. Call PSTC at 650-591-7911

Once we receive your FAX BACK, we will set up your dates and work with you closely to make this the best training experience possible. If you have questions along the way, please feel free to call myself or our support team at 800-348-8911 x 105.

Thanks for offering to host a PSTC class.

Frequently asked questions:

Q: Do we get free seats for hosting classes?

A: Yes, you get at least 2 free seats once we get 25 paid students and an additional free seat for every 10 paid students over 25.

Q: If we plan to train a great deal of our people, can we get a flat or discounted rate?

A: Yes, call us for a quote or e-mail Kevin@pstc911.com

Q: How much are your classes?

Q: If we host your classes, do we pay for the Instructor travel?

A: No! Our prices are all-inclusive on our per person classes.

Q: If we host and the class does not fill, are we financially responsible?

A: Absolutely not.
