

The Statesboro-Bulloch County Breast Cancer Foundation (SBCBCF) is making plans for its **2018 Pink Power Run** on Saturday, April 7, 2018. The success of this event is credited to our sponsors who have shown their support for the Foundation's mission by lending both their name and financial support to the event.

The funds raised during this and other SBCBCF events go towards raising awareness of breast health for community members of Statesboro-Bulloch County and surrounding areas and serving patients and families impacted by breast cancer through educational outreach, patient counseling and professional medical services. The Foundation advances this mission through the services of dedicated physicians and health practitioners, helping patients and those around them lead healthy and fulfilling lives.

The goal for this year's Pink Power Race is to raise \$25,000 to support our efforts to strengthen regional breast cancer services to patients, survivors and family members in our community. By participating, your organization will benefit from extended exposure through the Pink Power Run, our Foundation website and other promotional efforts directed toward enhancing the visibility and mission on the SBCBC Foundation.

There are several levels of sponsorship, as detailed on the enclosed Sponsorship Commitment Form. You may select the level of participation that best fits your needs (secure in the knowledge that your donation will be used to help the SBCBCF with outreach efforts for breast cancer patients and survivors) providing essential services to our community. Installment payments for sponsorships are welcomed. We also gladly accept gift-in-kind sponsorships of items that defray the cost of the event.

We are counting on your support and will be happy to answer any questions you may have regarding the SBCBCF and the event. Thank you in advance for your willingness to support the efforts of SBCBCF and for making a difference in the lives of women and their families.

Sincerely,

Jennifer Douglas
