

Policy Review and Evaluation

In an effort to keep its written policies up-to-date so they may be used consistently as a basis for Board action and administrative decision, it shall be the policy of the Board to review its policies on a continuing basis.

The Board shall evaluate how the policies have been executed by the staff. It shall rely on the staff, students, and member districts for providing evidence of the effect of the policies which it has adopted.

The Administrative Director shall advise the Board on an annual basis of all policies that are out-of-date or for other reasons appear to need revision.
