

Protecting our 2A Rights - Issue 6

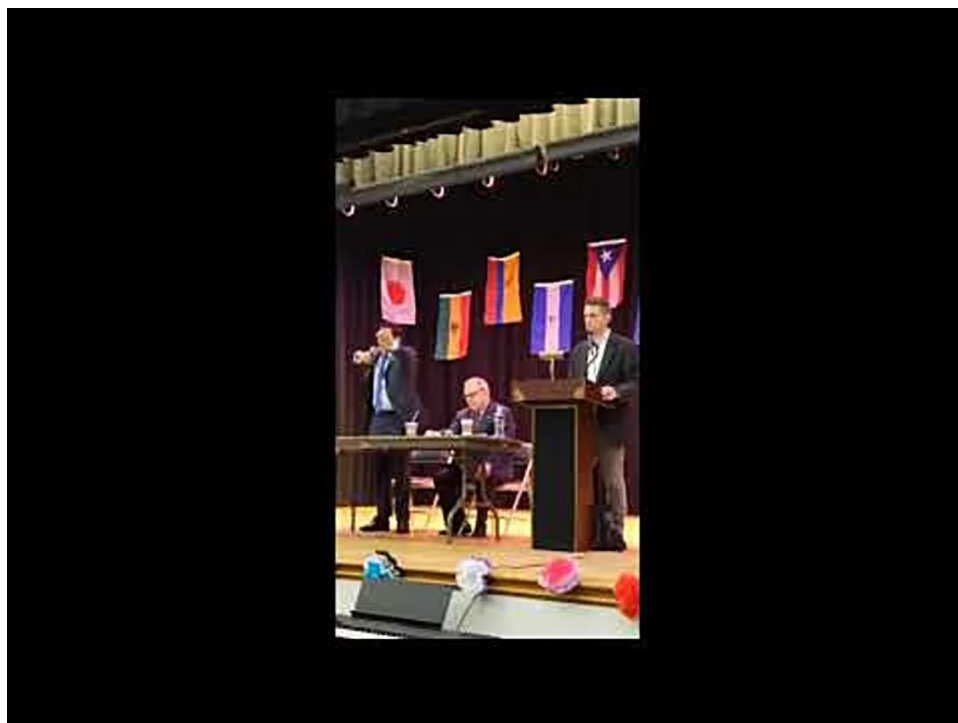

Impeachment! Impeachment! Impeachment! Oh, how I am so tired of this waste of time. It is all driven by TDS (Trump Derangement Syndrome). The Left has been working on Impeachment since hours following the election. They will do anything and say anything to either get President Trump out of office, show he is illegitimate, or defeat him in 2020.

Speaking of 2020, it will be another critical election. As it pertains to our 2A rights, just read some of the articles in this newsletter and imagine what the Left will try to do if they control the White House.

As further emphasis, watch the video as a Virginia Delegate explains what an "assault weapon" is. While it is funny, it is sad and scary to think these are the type of people who are attempting to restrict our Constitutional rights.
