YEAR LONG

Crayon Initiative

WAIT! Don't throw away your old crayons! We are collecting them for The Crayon Initiative. This is a non-profit organization that takes old crayons and recycles them into new ones. The crayons are donated to schools, children's hospitals, art programs and other organizations invested in children. Each class will have a collection box, so start sending them in. Please contact Jennifer Weber jrweber81@gmail.com with any questions.

If you wish to volunteer for ANY of these events or committees, please contact Kathy @ kathy@Sandyspringscc.org or sign up at Orientation!

I thank you ALL in advance for your support of our invaluable Friends Foundation!
