Could possibly drive to Beaumont area on Friday evening. (2.5 hours/142 Miles) to shorten Saturday ride. Could stop in New Braunfels on Saturday to have a drink at Greune Hall. Get to the hotel late Saturday afternoon. This hotel has a nice outdoor pool and area to socialize.
Additional Information:
On Sunday, ride to Fredericksburg to wander down the Main Street and check out shops. Then ride to Luckenbach for drinks, live music, maybe lunch, and end the day by riding to Bandera to visit the 11th street Cowboy Bar. Catch a steak dinner and head back to the hotel to socialize by the pool. Ride back home on Monday.
