

# Federalism Lecture

Name: \_\_\_\_\_

1) Describe the three major forms of Governmental Structure:

A)	B)	C)
----	----	----

2) A key problem addressed by Federalism is how to share  
\_\_\_\_\_

3) In early New York, \_\_\_\_\_ argued for a stronger central/national government. His opponent (and governor of NY), \_\_\_\_\_ argued for greater powers for the states.

4) What sources of power do Nationalists rely on for more National Powers?

- 
- 

5) What sources of power do State's Rights proponents rely on for more State Power?

- 
- 

6) What are the two types of powers given to the Federal Government? (Give an example of each)

- 
-

7) What are the two types of powers held by the States' Government? (Give an example of each)

-  
-

8) What type of powers are shared by both State and Federal government? (Give an example of such a power)

-

9) What trends in National vs. State powers have occurred over US History?

10) Give an example illustrating how the Progressive Era changed the power of the National Government.

11) Give an example illustrating how the New Deal Era changed the power of the National Government.

12) Give an example illustrating how the Great Society Era affected the power of the National Government.

13) Give an example of how creation of this PowerPoint made a baby somewhere very sad.

14) Give an example of how a current program may shift the power balance between state and national governments.
