

2016

To Hiring Committee,

Hello, my name is Patrick Chau; I am interested in an employment opportunity at your firm.

Currently, I am looking for career advancement in the field of Graphic Design/Art Direction. I have a degree in Still Photography and a diploma in Advertising Design. I am sure my skills and my 12 years experience in advertising agency and in-house design can become one of the greatest assets of your firm. I am very creative, detail oriented, self-motivated, a quick learner, a team leader and a team player.

For more information on some of my works, please visit my personal website at:

www.pcdesign.ca

Since I can not show all my works online, I am looking forward for an interview in person to show you more variety of my works through my portfolio.

Thank you for your time to review my resume and looking forward to hear from you.

Sincerely,

Patrick Chau
