Sick Policy

We are committed to maintaining the good health of the center as much as possible. We have many hands-on activities which means contact with laptops, LEGOs and other equipment. To help in the cleanliness of this equipment we ask that you cooperate in this effort. When children have any of the following conditions they may not stay at center: Temperature of 101 or higher; Vomiting; Diarrhea - 2 or 3 loose stools in a short time; Two or more cold symptoms; Undiagnosed rash on the body***, Cloudy discharge from the eye(s) *** or any communicable disease *** (***) A doctor's note must be presented upon return to the office when a child is sent home from a class or camp with these symptoms.) We require that children not return to the center until symptoms have been gone for 24 hours. Children who are sick will be isolated. Remember isolation is a temporary situation, and the child must be picked up immediately. Failure to comply with the Sick Policy and dropping a child off with these conditions will result in no refund for the days the child misses and the child will be sent home. If we are contacted about the illness by voicemail or email to mybotspot1@gmail.com within 24 hours before the start of a class we will work with you to reschedule the class, transfer to a camp another week or provide a refund for half of the amount that the child is unable to attend.

I've read the above and agree.
