**BASIC SHOTGUN**

**ADVANCED  
HANDGUN**

**ADVANCED RIFLE**

**ADVANCED  
SHOTGUN**

These courses are designed to enhance your skill level. For those who just completed the License To Carry (LTC) classes or are about to take the class, these are for you. Each course is designed to prepare you to safely and confidently handle handgun, rifle and shotgun weapon systems. It addresses a wide range of tactics and techniques while building confidence in handling and carrying a weapon. Some participants attending these courses have found them to be physically challenging. Anyone attending these courses should be able to walk moderate distances, jog, kneel, crawl, lay prone and get up quickly. Participants will provide eye and ear protection, ammo and sunscreen. We will provide you the particular course content, lunch, and certificate of completion. See our website for details for each course. [www.eastextactical.com](http://www.eastextactical.com)

Captain Danny Walker is the owner operator and Chief Instructor of East Texas Tactical Firearms Training with over 23 years of Law Enforcement experience. He is a Certified Peace Officer and former SWAT Sniper, holding a Master Peace Officers Certificate, TCOLE Advanced Instructor Certificate, Firearms Instructor Certificate, ALERRT Instructor Certificate, Taser Instructor and is a Certified GLOCK Armorer and Colt AR-15 Armorer.

**The Handgun Courses include gun safety, range safety, basic handling, current law, familiarization, tactical loading and shooting, cleaning techniques, accurate shooting and more.**

**The Shotgun Courses include gun safety, range safety, basic shotgun handling, current law, maintenance, tactical loading, shotgun to handgun transition, accurate shooting cleaning and more**

**The Rifle Courses include gun safety, range safety, basic and tactical rifle techniques, current law, loading and unloading, transition from handgun to rifle and back, accurate shooting, maintenance and cleaning and more**
