

**PART 7**

**SNOW EMERGENCIES**

**§15-701. Snow Emergencies Declared by the Borough.**

1. When significant snowfalls create hazardous or dangerous conditions for vehicular or pedestrian travel, the Borough Manager will designate, upon approval of Borough Council, a snow emergency for Borough streets and State highways located in the Borough.
2. The Borough Manager shall provide notice of the snow emergency by newspaper, radio and any other reasonable means. Such notice shall inform residents regarding which streets are designated for snow removal, by declaring that the emergency applies to north/south routes or to east/west routes, as those terms are defined herein.
3. Once the snow emergency is declared and notice is given, residents will have 12 hours to remove vehicles from those streets designated in the notice. Thereafter, parking shall be prohibited on those streets designated as being the subject of the snow emergency. The prohibition against parking shall continue until such time as the designated streets are clear and the Borough Manager, with the approval of Borough Council, declares the snow emergency concluded.
4. The north/south routes considered by this Part shall be as follows:
  - A. All streets from Front Street to Fifteenth Street, inclusive, and all streets in between and parallel to Front Street and Fifteenth Street.
  - B. Warwick Street.
  - C. Philips Street.
  - D. Curtis Street.
  - E. Sheffield Street.
  - F. Scott Street.
  - G. Pauline Street.
  - H. Hampton Street.
  - I. Water Street.
5. The east/west routes considered by this Part shall be as follows:

## MOTOR VEHICLES AND TRAFFIC

- A. All streets from Cherry Street to Orange Street, inclusive, and all streets between and parallel to Cherry Street and Orange Street.
  - B. Drury Street.
  - C. Mortimer Street.
  - D. Duncannon Street.
  - E. School Street.
  - F. Winsor Street.
  - G. Berkley Street.
  - H. Douglas Street.
6. Any person who violates the terms of this Part shall be subject to fines and penalties as appropriate and shall be subject to removal and impoundment of the vehicle as authorized by Part 4 of this Chapter, Removal and Impoundment of Illegally Parked Vehicles, or any other relevant part of this Chapter.

(Ord. 888, 3/2/1981; as added by Ord. 1031, 3/14/2005, §§1-6)
