

The Jurisprudence Exam Workshop

On May 2, 2020

The State of Colorado DORA requires that all certification, registration, and licensure candidates to pass the Online Jurisprudence 3.0 exam. This class will review legal and ethical issues to help prepare you for the exam and reduce your risk for psychotherapy practice in Colorado. Even if you have taken a Jurisprudence course in the past, it is in your best interest to keep yourself current in the legal, clinical, and professional standards of your field and the changes that took place on July 1, 2011. Topics covered in this workshop include:

- Risk-management procedures for your practice and guidelines for compliance with the law
- Changes in Colorado Mental Health Law and Rules that went into effect in 2011 and 2014
- A review of Colorado Mental Law, recent changes, and other relevant State statutes
 - Protocols to handle potentially suicidal, violent, and homicidal clients.
 - Ways to safeguard client confidentiality and protect your practice.
 - How to respond to a complaint to your DORA regulatory board

**The workshop will take place
online through the Zoom
platform.**
