May Meeting:

John opened the meeting @ 7:00 PM. There were 17 members in attendance.

Jerry read his treasurers report; and, we have money. The April meeting minutes were not read since Bruce was unable to attend the meeting.

For new members the Club Web Site is as follows: <http://www.lrccky.com> The Newsletter section user id is: "charter" and the pass word is: "num895".

Old Business:

Flynn Brothers Construction has been contacted and will roll the field when weather permits. Gary stated that someone, probably a club member, dropped off some junk at the field. It has been difficult getting our garbage cans emptied of late; and, this just adds to the problem. Please don't bring your garbage to the field. It would also be helpful if everyone would take their crashed planes home for disposal. It is every member's responsibility to keep our field clean. If you see trash at the field, pick it up!!! If you see a hole that needs filling get some dirt from the dirt pile and fill it!!!!

If every member will take some responsibility we should be able to keep our field in great shape without placing burden on just a few.

Welcome All New Members!!!!!!!!!!!!!!

Note from Dusty:

I just wanted to give everybody a heads up on carrying your CA glue in your back pocket.

Elmer sat on his on one of our new donated chairs; and, it busted.

Needless to say, he spent three days sitting at the field in the wind and the rain.

Finally Ray came by and rushed Elmer and the chair home.

Ray said that Elmer will return or replace the

chair as soon as possible.

This just goes to show that when we are at the field, we need to use our heads not our butts to prevent these types of things from happening. Also I wanted to mention what a great job Gary did on the new flag pole!!!

I have already run into that #&%@\$# thing about three or four times; and, it is still there. I must say that I am truly blessed that I am still here!!!!

New Business:

It looks like someone is going to repair some of the pot holes again. I don't know who is doing this; but, it sure makes it nice for those of us who drive vehicles back to the flying field. I think we owe whoever it is, lots of THANKS!!!!

Reminders:

AMA cards with the Club sticker must be displayed on ones person while flying at the field. There are card sleeves in the Club house in the file cabinet second drawer for members to use to pin or clip on.

This helps verify AMA insurance and Club membership.

Thank you for your compliance.

Guest may fly on three separate occasions before being required to join to fly as a Club member.

Club Merchandise:

Jerry has hats \$10, shirts \$12, \$16 depending on size for sale at every meeting. If you have specific requests, contact John.

What Snew?
