Has had a good attendance through spring and summer. Hoping to have a good Christmas raffle.

Great attendance to all. A lot of the attendance from visitors. But regular attendance is awesome! Having issues with ending with the Lords Prayer so they switch it up to the responsibility pledge. Also discussed how to spread the word on a public level.

No old business because last district was just an elections meeting.

Steve decided he could not pick up the Web servant position because he had too much going on.

**New Business:**

Motion made and seconded: unanimous Discussion tabled for next business meeting AI is to get a quarterly budget for the last two years annual cost of running district. Then we will discuss how much and who we are going to continue to use for our website costs. Also who is to have authorization on debit card.

Gary made a motion and Kathleen seconded on deciding the next business meeting to hear the numbers on our annual costs and using some of the money to get the word out.

Discussion made by Cliff concerning Gary's capability of being able to perform all visual requirements getting the word out for his service position.
