

## *mission statement*

We are dedicated to set a peace of mind to the elderly and their families by providing physical and emotional support to promote the senior's well-being, independence and dignity within our caring, homelike environment.

## *pleasant care*

Hello, my name is Freda Castro and I am the founder of Pleasant Care Group Home, LLC. I believe that everyone deserves to experience a high standard of living, especially the elderly. I have been practicing nursing for more than 20 years, and because of that I was able to experience the happiness that we cherish with a loved one, whether it is an old friend or a new companion. Since 2005, my family and I had set forth to established this business by with our promise to deliver most the comfortable living with high quality care in Reno/Sparks.

## *our staff*

Our caregivers are completely trained, friendly, and passionate for the elderly. They are all knowledgeable in health care and are certified in first aid, CPR, and medication handling.

## *etc.*

We accept private payment and Medicaid waivers.
