## ***SUBSTITUTE TEACHER BACKGROUND CHECK AUTHORIZATION***

Section 10-21.9 of Illinois School Code requires all applicants for employment with a school district, including persons who or firms holding contracts with the district who have direct daily contact with the pupils of any district school, to authorize a fingerprint-based criminal history records check and a check of criminal databases to determine if the applicant has been convicted of certain enumerated offenses. A school board shall not knowingly employ a person for whom a criminal background investigation has not been initiated.

- I authorize the Regional Office of Education 08 to check for my name on the Statewide Illinois Sex Offender Database.
- I further authorize the Regional Office of Education 08 to check for my name on the Illinois State Police Murderer and Violent Offender Against Youth Registry.
- If I reside out of state I authorize the Regional Office of Education to check for my name on that State's data base(s) for Sex Offenders, Murderer and Violent Crimes Against Youth.

I understand that conviction on any of the enumerated offenses or the presence of my name on any of these reports will exclude me from substitute teaching in ROE 08 schools and could result in the suspension, revocation, or surrender of my teaching license(s).

I understand the Regional Superintendent shall share criminal history reports with the Superintendent of a School District, other Regional Superintendents, the State Superintendent of Schools, and the State Teacher Licensure Board. I further understand that a copy of the criminal history check shall be provided to me.

I understand that I am responsible for the payment of the cost of the criminal history check.

I understand that I will not be added to the ROE 08 Substitute Teacher listing until the Regional Office receives my background check results from the Illinois State Police and the Federal Bureau of Investigation and my Employee Health Examination form.

I understand that having my name placed on the ROE 08 Substitute Teacher listing does not guarantee that I will be hired as a Substitute Teacher.

<input type="checkbox"/> Member of another Illinois public employee retirement system (specify system's name) _____				

By completing this form, a TRS member or annuitant designates beneficiaries to receive death benefits. Information provided on this form will become part of the member's permanent TRS record and will determine distribution of death and survivor benefits. This designation revokes any prior designation. If this current designation is found to be invalid, the most recent designation on file with TRS will remain in effect. Eligibility is determined by the survivor's status at the time of the member's death. Monthly survivor benefits can be paid only to eligible dependent beneficiaries.\*

If the automatic designation is **selected**, do not complete the Beneficiary Refund or Survivor Benefits sections.

<input type="checkbox"/> <b>Automatic Designation</b> <i>(commonly selected by members with a spouse or civil union partner and/or minor children)</i> In lieu of designating specific beneficiaries, I elect that my dependent beneficiaries, as determined at my death, receive a beneficiary refund and/or survivor benefits. If no dependent beneficiary survives, benefits will be paid to my estate.
---

If automatic designation is **not selected**, you must complete the Beneficiary Refund section. Alternate beneficiaries will receive benefits should primary beneficiaries predecease the member. When a beneficiary designation includes more than one person, the benefits are divided equally among the living beneficiaries of that class (primary or alternate).

## **Types of Beneficiaries**

---

The member may designate a beneficiary to receive survivor benefits. If this individual is a dependent beneficiary, then he or she is eligible to receive either monthly benefits or a lump-sum payment. However, if the member designates a nondependent beneficiary, only a lump-sum benefit is payable. Monthly benefits **cannot be paid** to dependent beneficiaries if a nondependent beneficiary is also designated and survives the member.

**Dependent beneficiary.** A spouse to whom the member has been married for at least one year, except where a child is born of the marriage in which case the qualifying period is not applicable; a civil union partner to whom the member has been partnered for at least one year; an unmarried natural or adopted child under 18, or between ages 18 and 22 if he or she is a full-time student in an accredited educational institution, or an unmarried child of any age who is dependent by reason of a physical or mental disability and claimed as a dependent on the member's final federal income tax return; a dependent parent who received from the member at least half of his or her support for the 12-month period immediately prior to the member's death.

**Nondependent beneficiary.** Any other designated person or entity who is not a dependent beneficiary.

## **Types of Benefits**

---

**Beneficiary Refund.** This benefit is only payable upon death. The member cannot elect to receive this benefit. This refund includes a return of the member's retirement contributions, statutorily required interest on the retirement contributions, and member contributions paid toward the annual increases in annuity. This refund is payable: to a designated beneficiary; if no beneficiary is designated, to the surviving spouse or civil union partner; or if no one is designated and there is no surviving spouse or civil union partner, to the member's estate. After retirement, this amount is reduced by the amount of retirement benefit payments made to the member.

**Survivor Benefits.** A beneficiary is eligible to receive a lump-sum survivor benefit if the member's death occurs during TRS-covered employment or in the 12-month period immediately following the last day of earnings, while on a creditable leave of absence, or while receiving disability benefits.

A dependent beneficiary may also be eligible to receive monthly survivor benefits if certain requirements are met by the member before death.

Children, unless named as a beneficiary on the MIBD form, are only eligible for benefits if they are the children of the surviving parent who will receive monthly benefits. In the case of a divorce, if the member names the new spouse or civil union partner and had children with the prior spouse or civil union partner, those children are not eligible for monthly survivor benefits.

---

*For instructions on designating a trust, please contact TRS.*

*A Qualified Illinois Domestic Relations Order (QILDRO) on file with TRS when the member dies may affect distribution of survivor benefits. For more information about QILDROs, please consult the QILDRO publication available on the TRS website.*

*As with all TRS benefits, death and survivor benefits must be paid in accordance with the Pension Code, 40 ILCS 5/16. If there is any discrepancy between the information on this form and applicable law, the law controls.*
