

NATIONAL PROGRESSIVE ALLIANCE FOR THE FUTURE

BUILD THE STRUCTURE ~ SEE THE FUTURE & CREATE IT

Dear Progressive Leader,

You are being invited to form the NATIONAL PROGRESSIVE ALLIANCE FOR THE FUTURE.

Thanks to Senator Bernie Sanders, the STORY of what is going on in America has been told clearly.

We now need to build a STRUCTURE for Progressive policy formation, legislation and election of progressive political candidates similar to what the American Legislative Exchange Council <https://www.alec.org/> does for conservatives. They go after legislative changes and laws on behalf of entities such as the NRA, etc. They do the legal work on behalf of the Koch Bros and other "silent" movers that we face and must deal with.

Going forward Bernie's MOVEMENT will need a STRUCTURE. Without structure, movements dissipate.

People in progressive organizations need to form an ALLIANCE to create SYNERGY that is more powerful than their individual power and individual organizations.

We are beginning by making a leadership list of Progressive's we would like to see on a COMMITTEE OF LEADERS & ORGANIZATIONS.

We will then identify people to be in WORKING COMMITTEES such as:

1. Just Economics Committee.
2. Universal Health Care Committee
3. Affordable Quality Education Committee
4. Affordable Housing Committee
5. Environment & Sustainability Committee
6. Peace & Global Disarmament Committee
7. Legislative Committee
8. Action Committee

The COMMITTEES can then do ongoing research, propose legislation, coordinate actions and support progressive candidates.

We hope you will join the leadership of the NATIONAL PROGRESSIVE ALLIANCE FOR THE FUTURE.

Your name and participation will inspire millions of people to join this Alliance of Progressives for a better America, and a better world.

Movement Building Phases

1	Story	WHY WHAT	A clear, simple and compelling narrative of WHY we want to accomplish WHAT.
2	Structure	WHAT WHO	Organizational chart with committees based on the functions needed.
3	Strategy	HOW	Developed and updated by the participants.
4	Systems	HOW	To improve the procedures and processes of the work.
5	Skills	HOW	To improve the capacity of the workers to be effective to reach goals and objectives.
