A MESSAGE FROM OUR PRESIDENT

Dear Brothers and Sisters:

I wanted to write to you all to check in on everyone to see how you all are doing. I hope all the fathers had a good, safe, and happy Father's Day, the best you can under the circumstances! Also, I wanted to wish everyone a Happy 4th of July, I hope that you had a safe holiday weekend. It is funny, the last couple of years, I contemplated the idea of not setting up a booth on the Town Common, thinking of all the work involved and the time spent in doing so. This year, with the event taken away from us by Covid-19, I really missed being on the Common with all of you, all of my friends in town and even my family members who came from around the area. It may seem crazy, but it is true - last night I was upset that I was not scooping ice cream in a frenzy just before the fireworks started!!! I missed it.

I want to take a minute to urge all of you to be cautious as the state moves through its various stages of re-opening. Just look at what is happening around the country. With that in mind, we will not be having a lodge meeting in August. We will see how things progress for September. I am going to talk to the Council about a possible virtual lodge meeting in August however, not in our usual format, but at least in a way that we can touch base with members more than just by email.

Also, Bocce will be starting this coming week, I urge all the players to be responsible, keep social distance and remember that **wearing a mask is required by our lodge in order for you to play every week.**

Again, I ask if anyone needs help, please reach out to me or a member of the council and we will do our best to help you. My email is jromano45@gmail.com and my cell number is (617) 750-9749.

Please be safe and I look forward to seeing you all soon!

Sincerely,

John

MEMBERS NEWS

We would like to start a **"Members News"** Column in our newsletter. These would be things we would normally share at a meeting. But since we cannot meet, we thought it would be nice to share info in the newsletter. **So please send me your info.** It does not have to be just new info. Please send any info that has happened since we last met. This would include retirements, promotions, weddings, and other good news items about Members that might normally get shared under the Good of the Order.... etc, during the course of a meeting.
