Welcome to Our 2017 Newsletters

NEW PRODUCT LAUNCH

We redesigned these inserts after having listened to our clients and prospects' comments.

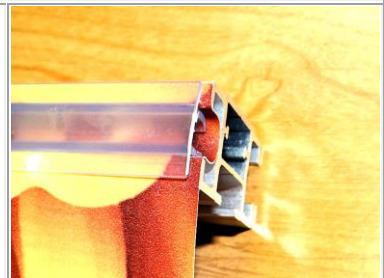

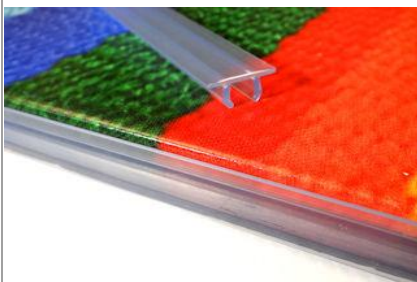

We have the pleasure to launch two new inserts, a clear PVC (TS79C), and a black PVC (TS79B) both with anti-UV treatment.

NEW TS79C - CLEAR PVC INSERT

The TS79C will bring another option to Sign Professionals wanting to offer more choices to your clients. This new insert works with our entire product line of extrusions: TS23, TS32, and TS44.

This new clear insert will be available by end of March '17 at the same price as the white one.

NEW TS79B - BLACK PVC INSERT
