RIZZO'S CELEBRATES 35 YEARS ON EGGERT

This year marks 35 years since my dad and mom, Vito and Rose Mary Rizzo opened Rizzo's Casa di Italia on Eggert Road in Tonawanda. Since those first days we have prided ourselves on the quality of our homemade products, our customer service and our involvement in the community. This year our pasta festival celebrates just that. For the first time our company, MPR Restaurants has 5 locations partaking in our March festival.

The month is filled with culinary experiences from classics, like our "casa combo" returning to Rizzo's Eggert and Rizzo's Cafe Banchetti menus and our recently renovated bar at Eggert is the perfect place to grab a cocktail or enjoy one of our new daily drink specials.

Don't miss our "Fra Diavolo Fridays" each week at Vito e Vino combining spicy homemade pasta and seafood dishes with crazy bar specials like oyster shooters and shrimp bloody marys. Along with a great seafood, fresh mozzarella and pizza bar, Fridays at Vito e Vino are sure to be the "hottest" night in town.

This year, Schnitzel and Co. brings some European flair to our Pasta Festival with an "Irish Brew Crew" gathering on Monday, March 16th and a fantastic St Paddy's Day menu on the 17th. Our little Swiss-German pub with our great beer selection and homemade fare will surely be the place to be. Grab your green and make reservations today!!

We are also super excited about our new "prefix menu" at Rizzotto Ristorante on Maple Road. We are rolling out a great 5 course meal starting with a selection from our antipasto bar, a choice of great entrees, fabulous side dishes, deluxe coffee service, homemade dessert and of course our fabulous limoncello. Be sure to check it out. The new menu starts March 4th.

We are excited about spending the month with all of you. Whether it is a great night out for dinner or sharing in one of our special events, we are sure you'll be fond of the new memories you'll be making with our family. Since our first Pasta Festival in 1992, so many of you have become the fabric of the festival and each year as more and more people join us the food and events continue to get better and better.

If this is your first festival or your thirtieth, we hope you'll find that special time, special meal or special someone to make it your most memorable one yet. In today's age of e-mails, text messages and instagrams, it's easy to lose touch with the things that are as real and as important as the people we share our time with.

We're committed to those relationships because as we've been saying for 35 years... "to our family... you're family."

Mangia Bene!

MPR PUB CRAWL

SATURDAY, MARCH 21st

Here at MPR Restaurants, we've been on a "bus crawl blitz." Our first round was held the night before Thanksgiving. Four of our restaurants, Rizzo's on Eggert, Rizzotto, Schnitzel and Vito E Vino each hosted a group of around 50 guests. Each group would arrive at their "starting" location at the designated time and then rotate through each restaurant for great food, live music and drink specials. This past month, our friend & newest bartender at Rizzo's on Eggert, Larry Torchia helped us host a Schnitzel themed Pub Crawl-- The Brew Crew Bus Tour. We visited four local breweries, Gene McCarthy's, Pearl Street, Flying Bison & Resurgence before finishing the day back at Schnitzel for raffles and lunch.

Both of these events were such a hit that we're going for Pub Crawl 2! Enjoy this awesome night out on the town! Each location will host a group that will rotate to each of our restaurants throughout the evening. Enjoy great live music at each place featuring jazz, pop and rock classics. We'll be featuring great drink specials all night long and complimentary food at each place-- like our incredible fish tacos at Vito E Vino and our chicken parm sliders from Rizzo's on Eggert.

\$20 TICKET includes your bus ride from location to location plus complimentary pub food and entertainment at each restaurant! Stop in to any of our MPR Restaurant locations to purchase your tickets! It's sure to be a sell out!
