Dear Burr Families.

Welcome new and returning families to Burr Elementary School for the 2019/2020 school year! We are excited for another fabulous year filled with learning, growing and exploring. The Burr Elementary School PTA is comprised of both parents and staff with a common goal: To build a community, help our children learn and enjoy the elementary school experience. We welcome all families to participate in the many events and programs we have to offer throughout the school year.

PTA Programs & Events At-a-Glance:

- Winter Games
- After the Bell

Please help us kick-off the school year and join us the first day of school for **Tears and Cheers at 9:15 am** in the **Burr cafeteria**.
