Minutes from August 31, 2021:

❖ Minutes from August 31, 2021 we approved and signed by the Board Unanimously.

Other Business:

❖ Ethel Chase came to the meeting with concern of why the posts were put up at the junction of Rte. 58 and the Mines Road. Calvin answered with the reason of complaints coming from people traveling this road who had gotten cracked windshields and almost causing accidents with motorcyclist, which was caused by stones being spun into the road by ATV's. He said it was becoming a weekly thing to have to rent a tractor and fix it, and it was costing the Town more money than it needs to. Calvin stated that he would be removing them for winter and hopes to replace the posts with cement barriers in the spring just before ATV season. Ethel was happy with the explanation she got and left the meeting.

❖ Wayne Richardson approved and signed a truck weight permit for the following: JAMES A. DONOVAN TRUCKING.

❖ Darren and Wayne had met with the New Town Lawyer this morning for an introductory meeting.

- ❖ Rebecca spoke to the Board on behalf of Cedric and Judy Humphrey on a request to have their penalties waved again this year due to a physical health hardship. After a short discussion the Board agreed to waive the penalties but not the interest.
- ❖ Christy presented an email from Jennifer Blay and her students at the Lowell Graded School. The letter was to update the Board on the measurements of the trail they want to put in Gelo Park and what they would need help with being that they only have $650.00 left of their grant money to spend. The Board discussed the project and will be speaking with Jen to let her know of their decisions. Becky also suggested that we may be able to help with this project with the ARPA grant funds. She is going to find out if this project will qualify for funding. The Board also thought that it would be alright to give the kids 3 loads of fill for free to help them get started on their project, so they may start leveling out the pathway.
- ❖ Christy presented to the Board a resume from Christina Adams who is interested in the Health Officer position. The Board reviewed the resume and decided to wait and see if anyone else is interested before they make a decision.
