

# EMPLOYEE ANNUAL GIVING CAMPAIGN

OCTOBER 3-14, 2022

**Unite to Fuel Change**  
Your gift changes lives.

With a donation to Greater Twin Cities United Way, you unite with us as a changemaker, helping to end disparities in our community. Your gift to Greater Twin Cities United Way will help us address the challenges no one can solve alone. Together, as changemakers, we can:

- Impact the lives of people in the nine-county metro area.
- Connect people to critical resources through our free 211 resource helpline to ensure people have their basic needs met any time, day or night.
- Leverage 211 data to identify and respond in real-time to community needs and crises.
- Suicide Prevention Lifeline - Our caring suicide prevention specialists listen with empathy and connect callers to mental health crisis care services.
- Reduce disparate educational outcomes, close the racial wage gap and fortify our region's workforce through innovations like Career Academies.
- Collaborate with nonprofit partners, businesses and donors to create solutions that drive lasting change.
- Amplify community voices, educate government officials and develop solutions to help address immediate needs and drive systemic change.

Your gift to the Greater Twin Cities United Way fuels this work and brings us closer to more equitable community where all people thrive. We hope you'll join the changemaker movement and make your impact.
