Compensation Guidelines
For Professional Church Workers
North Wisconsin District
The Lutheran Church—Missouri Synod**

Introduction

Scripture has clear words of instruction for us in matters pertaining to the compensation of church workers (I Thessalonians 5:12-13; I Timothy 5:17; Galatians 6:6). The review committee and the congregation should know and understand this counsel. From these passages it is evident that we must treat those who labor in our midst with loving care and respect. Also it is evident that good work deserves good pay. Therefore, the matter of merit should receive serious attention.

The Administrative Services Committee (ASC) of the North Wisconsin District Board of Directors is pleased to share that there is now a new tool from Concordia Plan Services (CPS) to assist with compensation matters. The struggle the ASC has faced through the years has been to adequately address the many variables in determining salaries for church workers throughout our District. The new CPS tool factors in those variables for a congregation's geographical area. It also offers a salary range of other Lutheran Church—Missouri Synod ordained and commissioned ministers, as well as the salaries of other Christian church workers in the area. The areas not addressed in the new CPS tool are addressed on pages 3 and 4 of these guidelines.

The new CPS tool is currently only available to assist in determining salaries for ordained and commissioned positions, **with the exception of teachers**. The final section for commissioned **teachers** is being prepared and is expected to be rolled out in the fall of 2018. Until that time, Lutheran schools of our District should continue to use the 2019 Compensation Guidelines and the base salary and chart as reflected in this document to assist in determining teacher salaries. The new base rate below reflects the recommendation by the North Wisconsin District Board of Directors.

**2019 Compensation Base Rate

Suggestions for Implementation & General Information

I. ORGANIZE

- Pray often for God's blessing on your task.
- Appoint a special committee to study salaries and benefits for all workers in your midst. You will want to include members of your boards of: education, elders, stewardship and other appropriate boards and committees. Your pastor(s) and principal might also be advisory members of this committee.
- Use the CPS Tool to assist in determining the salary of your called worker(s). It takes into account the variables unique to each geographical area.

II. STUDY

Consider the following:

- The purpose and mission of your congregation (association) and its ministries including the Christian day school where one exists.
- A careful and honest evaluation of present salaries and benefits offered to your workers.
- A comprehensive study of job descriptions, responsibilities, expectations and division of tasks among staff persons.
- A review of your congregation's (association's) financial resources, funding patterns and capabilities.
- A study of alternative funding sources including tuition, third source funding, establishing a foundation to benefit the educational program, fraternal agencies and other opportunities which may be unique to your congregation and community.
- A study of the salary and benefit suggestions of the North Wisconsin District.

III. ACT

- Establish a plan for implementing the salary and benefit suggestions of the North Wisconsin District.
- Install a plan that will effectively seek to meet the guidelines over a period of time should there be a discrepancy between current church worker's salary and guidelines (for example 85% of goal in the first year, 92% in the second year and 100% in the third year).
- Share the specifics of their personal salary and benefit packages with each of your worker(s): salary, Concordia Plans, other benefits. A sample form is included at the end of this document.
- Continue to pray for God's blessings on the pastoral, educational and outreach ministries to congregation (association) and community.

Questions concerning these guidelines can be submitted to Rev. William Plautz, Chair, Administrative Services Committee at 715-226-0324 or email at rev_81@hotmail.com.

Following are issues not addressed in the new CPS tool

Retreats and Sabbaticals

While this section is included in the CPS material, it is presented here to make the district congregations aware that the North Wisconsin District has developed Sabbatical Guidelines, approved by the Board of Directors, to help congregations as they seek to care for the well-being of their church workers. You may access the Sabbatical Guidelines at the district website at www.nwdlcms.org.

Vacation based on years of service

- 1-3 years: 14 days
- 4-10 years: 21 days
- 11-25 years: 28 days
- 25+ years: 35 days

Personal Days

The congregation should have a policy to determine personal days for full-time workers. A suggested benefit is: one year of LCMS service, one per year; two years' service, two days; three years, three days up to five days per calendar or school year.

Home Equity Support

In prior years, the NWD encouraged congregations to provide a Home Equity Plan (HEP) when a home was provided for the worker. However, significant changes in the federal law now make this illegal and all congregations had to stop this practice as of December 31, 2004. Previously deferred HEP funds (on or before December 31, 2004) and earnings on these funds are unaffected. The congregation can still provide to the worker additional annual compensation which the worker can deposit in a tax-sheltered annuity, a traditional IRA, or a Roth IRA. Another option would be for the congregation to increase the salary of the worker by an amount equal to the former home equity contribution.

Preschool Directors, Teachers, Aides, and Childcare Workers

The work of these individuals is significant in the congregations they serve. The following are suggestions for determining their equitable salary. Clear policies need to be in place for determining those salaries and benefits. Salary determination should not be perceived as subjective or arbitrary.

Steps:

1. Determine Base Salary
2. Determine multiplier from guidelines that reflects position and years of experience.
3. Determine percentage of the full-time week a worker is expected to provide. Example: five half days would result in a .5 factor.
4. Find the worker's salary by multiplying that factor times the salary determined in Step 2.
5. Teacher aides' salary can be determined in the same manner as in steps 2-4 and multiplying that by a factor that would reflect less responsibility. For example: .5 or .75 for an aide with teaching or additional duties.
6. For directors consider using the principal column to determine salary. If the director teaches half-time with administrative duties half-time, consider determining half of appropriate teacher salary and half appropriate administrator salary and combining them.

Following are Special Circumstances Budget Items

Vacancy Coverage

A position becomes vacant when the worker leaves, resigns, or becomes incapacitated. Please check with Concordia Plan Services as to when and under what circumstances an enrolled worker becomes eligible for disability payments and unable to assume their duties.

It is recommended that the salary of the person filling the vacancy be determined according to your current policies and guidelines. Simply, what would that individual's salary be if he or she would be called or contracted to the vacated position?

The vacancy workers assume agreed upon duties of the vacated position. When will the vacancy begin and when will it end? Having something in writing concerning duties, beginning and ending dates, and compensation is highly recommended. If the vacancy worker is assuming 100% of the vacant position's duties, he or she should be compensated 100%; if 50% then compensated 50%. Mileage should be paid according to your policies for the vacant position. Vacancy compensation excludes Concordia Plan Services benefits.
