- ❖ Becky & Christy spoke to the Board about hiring 2 assistants that would each work 2 days a week. Separate one day and together for the second day. They explained that Mary Hunt our current assistant is leaving in August and have only had the chance to teach her one job. They both felt it would be easier to teach one person for each department rather than teaching one person for both jobs for it takes a long time to teach one position. The Board asked if they could have some time to think on it, Becky & Christy agreed that would be fine and will be revisited in a month.
