

Dear Principal,

A student from your school is applying for selection as an exchange student for the Sutherland Lakewood Student Exchange Program. If selected the student would spend Terms 3 and 4 of 2019, living with a family and attending school in Lakewood, Colorado. They would then host their American partner for Terms 1 and 2 of 2020. The American student would attend your school.

This Exchange Organisation is registered to operate in New South Wales and assurance is given that the National Guidelines for International secondary school student exchanges will be followed.

On behalf of the student applying, we ask that the lower half of this form be completed and returned to him / her to become part of his / her application.

Details of the NSW Secondary Student Exchange Program can be found at...

Yours sincerely,

..... (Student Name) has been a student at
..... (School Name) for a period of years.

During this time **his / her** grades and reports for examinations show that **he / she** is a **below average / average / above average / excellent student**.

In our opinion (Student Name) should be able to maintain his / her grades in the Jefferson County school system in Colorado, USA.

I am satisfied that the exchange organisation is approved to operate in New South Wales. The school is prepared to enrol the American exchange student for Term 1 and 2, 2020.
