Dear Applicant,

Thank you for your interest in becoming a member of the Terryville Fire Department. We are currently accepting applications for interior firefighters and Emergency Medical Technicians and are looking for caring and community-minded people. You must be 18 years or older, in good physical health, and of sound moral character. The requirements are very demanding, but the rewards are great. You will be asked to donate much of your time as you gain new skills and knowledge. In return, you will experience a great sense of pride and personal accomplishment, while providing a vital service to your community.

Please review the following requirements to determine if you can commit to becoming a volunteer firefighter. If so, please complete the criminal background check form and application. All forms must be notarized. Please include 2 photocopies of your NYS driver's license and 1 colored passport-style photo. Upon completion, forms can be returned via mail or dropped off at TFD Headquarters on Jayne Blvd. Any concerns or questions can be directed to Michael Giudice Sr, 3rd Asst. Chief at mgiudice@tfdmail.org
