DESCRIPTION: Here is a nice American Barracuda that is an exceptionally accurate shooter. This was marketed as an AMO 57" bow, but it is closer to 56.5". It shot best for me using a Dacron AMO 56" string. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. 2 filled sight screw holes on the face of the bow (see pic). No chips, dings or cracks. No crazing or stress cracks; no stress lines. A few minor scratches and nicks here and there. Decal is a reproduction. Overall, this is a really nice bow in excellent condition for its age.

Comes with a new string.
