**June Meeting:**

John opened the meeting @ 7:00 PM. There were 42 members in attendance.

John read the treasurer's report since Jerry couldn't make the meeting; and, we have money. The May meeting minutes were read by Bruce and accepted.

For new members the Club Web Site is as follows: <http://www.lrccky.com> The Newsletter section user id is: "charter" and the pass word is: "num895".

**Old Business:**

Flynn Brothers Construction has not contacted Gary yet. Hopefully they will roll the field when their schedule and weather permits.

Someone has cold patched the road going back to the field; and, it is much improved.

John our President and Web Master reported that the web site has been completely rebuilt.

A huge THANK YOU goes out to John for all the hard work done to recover the website.

It is every member's responsibility to keep our field clean. If you see trash at the field, pick it up!!! If you see a hole that needs filling get some dirt from the dirt pile and fill it!!!!

If every member will take some responsibility we should be able to keep our field in great shape without placing burden on just a few.

**Welcome All New Members!!!!!!!!!!!!!!**

**Note from Dusty:** Hi everybody, I have some news for everyone. Me, Elmer and Radar have decided to expand our interest in our hobby.

We are going to start building stick and tissue free flight models. In the fall we are moving to the Blue Ridge Mountains and we are taking Sonny with us. We figure that this will be perfect for us because there are so many trees there we will not be able to fly our models; and, they will last forever.

September will be Sonny's last Newsletter. This will give some other Club member the opportunity to become the New Newsletter Editor.

**Note from Sonny:**

Hey look! I just can't do this forever!!! What little brain I have left is running out my right ear.

Some members thought that I would be the Newsletter Editor until the day I die. I hope that is not the case!!!!!!!!!!!!!!

**New Business:**

An AMA Email Article was mentioned at the meeting. It noted how AMA would be working with communities to establish Drone Zones. AMA will advise local communities to work with AMA Clubs in their areas.

This may help increase our membership total.

**Reminders:**

AMA cards with the Club sticker must be displayed on ones person while flying at the field. There are card sleeves in the Club house in the file cabinet second drawer for members to use to pin or clip on.

This helps verify AMA insurance and Club membership.

Thank you for your compliance.

Guest may fly on three separate occasions before being required to join to fly as a Club member.

**Club Merchandise:**

Jerry has hats \$10, shirts \$12, \$16 depending on size for sale at every meeting. If you have specific requests, contact John.

**What Snew?**

Nope!!!!

**50/50:**

Dusty won \$132.00 Yeah!!!!!!!!!!!!!!!!!!!!!!
