PRESIDENT'S MESSAGE: August 2020

I hope everyone is faring well these days. It looks like we are still down for a while. If we have members ill, needing assistance, having trouble coping; remember, we are here for you.

First Baptist Church is still renovating and will let us know when we will be able to return. St. Gabriel's has closed down completely until further notice. Hopefully by September or October, we can get back to meeting.

The storage unit is filling up with completed quilts, etc. Request that any leftover fabric you have, please hold onto until we can get into St. Gabriel's and help restock that area.

According to Doris, we are ready to give all our charities their quilts, pillowcases, bibs, etc. this fall or by the end of the year. I want to thank you all for making this happen. By September, I hope to have some good news for all of us. It will be nice to see & meet again as a **GROUP**. Miss seeing all your beautiful faces.

Janice (Jan) K. Brock - President

DONATIONS

What a year this has been – miss seeing everyone and hopefully all have stayed safe!!

Carol Hall has donated fabric which will be used for Christmas stockings, bibs and pillowcases. Eileen Kidd gave us strips that will be used in quilts. Janet Harrison is making donation quilts. Brenda, June and Joyce are busy sewing bindings. Several ladies have been cleaning their closets and getting their fabric and quilt tops to me – isn't it amazing what we manage to find in the back of those closets? Tuesday morning girls are making adult bibs, about 60 have been taken to Cecelia for sale along with many quilts. Cindy picked up the BETA quilts (25) at my house to deliver, thank you to Dawn for making most of the quilts for BETA. I will take the USO (20) quilts to the airport when I fly to RI on 7/31. Cecelia picked up quilts (25) to take to the teacher that will hand them out to the disadvantaged children. SherriAnn has 18 quilts for Women's Center and 15 Patriotic for Hospice. Cora will take the quilts (50) to the Highway Patrol in September. Aging Matters will be getting the Christmas stockings (105) and pillowcases (102) in September along with a bed size quilt for their fundraiser in 2021. ROTC will be getting a bed size patriotic quilt for their fundraiser in September. Thank you to our quilters Linda, Karen Lee and those of us that quilt on our small machines. There are not enough words to express our heartfelt gratitude to all the guild members that are so generous with your time and talents. There certainly does not seem to be any dust from not being used on most of your machines. Janet & Karen, our energizer bunnies that must make quilts for us in their sleep and provide their talents to the donation and sale items. Please give me a call if you, or someone you know, is cleaning out your stash of extra fabric – we appreciate the donated fabric as it helps us with our quilts for donation. Thank you to all of you that have made this year's donation numbers complete – we could not have done it without you.

Doris

***Side note: Thank you for your cards, calls, prayers and emails – it is difficult to explain how much all of your expressions of concern meant to us. Our son (Joey) is doing great, he is getting stronger every day and walking again, sometimes with a cane - at one point the doctors at the Mayo clinic were not sure that would happen. Joey's medical team pulled out all of the stops the two weeks he was in Mayo Hospital. I will be going up to RI the month of August to help him through the physical therapy as driving is still a bit of a struggle. You all are just the BEST!!! Again, thank you!!!
