

## How far will your Sponsorship dollars go?

- Each year, the Thoroughbred Figure Skating Club hosts a sanctioned competition with participants from across the state as well as surrounding states.
- In 2015, club members performed in the Nutcracker on Ice with 300-400 people in attendance at each show.
- In addition to the Thoroughbred Figure Skating Club, the Lexington Ice Center is home to several other organizations including Central Kentucky Hockey Association, Henry Clay High School Hockey team, Paul Lawrence Dunbar Hockey team, University of Kentucky and Eastern Kentucky University Hockey teams, and the Lexington Amateur Ice Hockey Association. Each of these organizations bring hundreds of participants and spectators to the rink.
- The Lexington Ice Center offers public skating September-June of each year and attracts Central Kentucky residents of all ages.
