PLAINVIEWNURSERY SCHOOL84@GMAIL.COM

6-24 months

\$15 per class for 16 weeks

September 8- December 22

- Crafts that mommies and babies can do together, ex. apple prints, finger painting, bubble wrap painting, hand/ foot print art, sensory bottles, etc.
- We will sing songs and do lots of fun activities with the children using a parachute.
- Gross Motor/ Fine motor activities: We will do fun movements like crawling, climbing, finger play, balloon fetch, muscle strengthening activities for younger age group, one piece puzzles and texture gloves, etc.
- We will be having a mystery box during each session that might contain fun props , musical instruments, bells, balloons, sensory play items etc and activities using those props will follow.
- Fun with bubbles with exciting songs.
