Meeting Night:

We meet on the second Monday of the month at 7:00 pm. We are always in need of new faces on our committee with new ideas.

Events:

Consecration/Reformation Sunday: We are planning a breakfast on Sunday, October 29th, after each Church Service. This breakfast is made to order from our menus and it is a thank you to everyone for being a faithful steward of the gifts God has given us - our time, talent and treasure. A sign up sheet is on the bulletin board in the Narthex for people to sign up if you plan to attend.

Time and Talent Drawing:

After the Congregational Meeting in November we will have a drawing for prizes just for signing up on your Time and Talent Form to share your Time and Talents in serving our Church. This form will be handed out with our bulletins during the month of October and is also on our Website.

Christmas Jars:

We still have our Christmas Jar project. These jars are handed out in January/February with books to follow in December. The book explains the Christmas Jars. This project has helped many people over the years. You can collect your change in these jars throughout the year and come Christmas, you can give your jar, along with the book, to someone who is in need.
