

YEAR: Early 1960's

MAKE: Blackhawk

MODEL: Hornet

HAND: Right

DRAW WEIGHT: 53#

AMO LENGTH: 62"

PRICE: \$99.00

SHIPPING & HANDLING: \$19.00

TOTAL COST: \$118.00

DESCRIPTION: Here is a nice modified Cravotta Brothers Blackhawk Hornet bow. This bow had a broken tip, so both tips were cut off at the original string grooves, and the bow slightly shortened. Tip overlays were then added. You can see this from the string groove pics. Still a nice looking and performing recurve. Walnut and maple riser. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decal is in excellent minty condition.
