Counselors Foundation*

LETTER OF COMPLETION

This is to certify **Danette Vercher** has completed in its entirety the following Continuing Education activity sponsored by the American Association of Christian Counselors:

Opioid Addiction 2.0 – OPAD2.0-DVD

AACC/Light University

3.00 CE Hours/Credits*

May 19, 2018

Sincerely,

Tim Clinton/American Association of Christian Counselors

The American Association of Christian Counselors (AACC) offers some clinicians and counselors Continuing Education (CE) credit due to good standing with a limited number of professional organizations.

The AACC is approved by the *American Psychological Association* (APA) to offer continuing education for psychologists and maintains responsibility for this program and its content.

The AACC is a *National Board for Certified Counselors* (NBCC) Approved Continuing Education Provider (ACEPTM), may award NBCC approved clock hours for presentations and/or programs that meet NBCC requirements, and maintains responsibility for the content of these presentations and programs.

The AACC meets the qualifications for continuing education credit for MFTs and/or LCSWs as required by the California Board of Behavioral Sciences (#3552).

The AACC offers continuing education credit for play therapists through the Association of Play Therapy (APT Approved Provider #14-373), so long as the training element is specifically applicable to the practice of play therapy.

The AACC is approved by the NAADAC, the Association for Addiction Professionals (#166470), as an Approved Education Provider and is recognized as meeting nationally approved standards of education developed for the addiction/substance use disorders in the counseling profession. CE contact hours that are provided will be accepted toward national credentialing by NAADAC and many of the individual state licensing and certification bodies, as well. Please check with your state for further information and authorization.

It remains the responsibility of each participant to be aware of state licensure requirements. *Participants should check their state and/or local regulations* regarding required continuing education hours.
