American Legion Post 132, Orange, California NEWSLETTER April 2019

AL POST 132 COMMANDER , JOSE MARTINEZ

We are now in Spring and with all this rain we've had, everything is blooming. Even all the dang weeds. Lots of yard work needs to be done now .

But here at the Post, things are looking good. We continue to grow in membership across all units. I hope everyone is enjoying our new parking lots. What an improvement. We still have our parking lot fundraising thermometer up, even though it was moved to a place where no one can see it. We'll be taking it down soon. We raised just over half of what the parking lot cost. I would like to thank everyone who donated. It is because of folks like yourselves, that work hard in keeping your post looking awesome. Again, thank you all!

We have made strides in improving the Post inside and out. We are starting to add events during the week. Our "Karaoke Nights" have added a new excitement to the Post. That's happening every Wednesday at 7:00 PM. I have not been able to attend yet, but from what I hear, it is an exciting time. Hopefully I can attend the next one. We're looking to add more daily events. So keep your ears and eyes open for more events. If you have any ideas, please let us know. Our Boys' State Scholarship Dance was a big success. Thanks goes out to all who attended.

The Post will soon be entering into nominations for Post officers. We ask that you please get involved and become an officer. We need new faces with new ideas to help keep the Post going in the right direction. Please look into joining the board. Also, come to a General Meeting on the 2nd Thursday of the every month at 7:00 p.m. See how a meeting is held. Be involved and help with making decisions that affect your Post. It takes each and everyone of us to run the Post.

Anyway, remember to keep reading the Bugle and go on the Post's website, www.orangepost132.com to find out what's going on at your Post...

Victor de la Rosa**

Greetings all,

The Legionnaires' membership is up to 91.28%. We just need 38 more members to make our goal of 100%. If you know any potential members, please bring them to our great Post so they can see what they are missing. If you have not updated your membership and paid your dues, please see one of the officers at the Post.

On another note you may have noticed that we have new asphalt on our parking lots. We are still accepting donations to make our goal to pay for the work we have had done. So if you can help, it would be much appreciated by your post. Aim HIGH and thank you!

HAPPY EASTER TO ONE AND ALL!

Victor de la Rosa
2nd Vice Commander

Hello, Comrades: The February 11th fundraiser at the Katella Grill returned slightly more than \$100 to the Post. I know these fundraiser locations are at places outside of our Legion Post and are not the easiest to attend. The turnout was a little disappointing, but to those who did manage to attend, many thanks. We held a fundraiser at Polly's Pies last Monday, March 18th. The results of that will be in the May Bugle.

Attached to this issue of the Bugle is a flyer for Zito's New York Style Pizza (4/22/19). This has been a popular place for our Legion fundraisers and I am pleased that Zito's has agreed to allow us there again. If you haven't been there before, now is the time to attend. The Post earns 20% of each total bill, so, please set that date aside.

HAPPY EASTER TO ONE AND ALL!

Comrades, **Parking Lot Repaving Fundraiser**. We have raised about half of the \$30,000 needed to payoff this project which the Post could no longer avoid. Please get your donation check in to Finance Officer, Sid GAUNA ASAP!

Karaoke Wednesdays. The new Karaoke Wednesday night effort was a financial success in March and therefore your E-Board decided to continue it indefinitely. Come on out and show us your talent!!!

Membership. The Post is really close to reaching our goal of 436 paid members for 2018-19. If you haven't paid yet, please do so now so we can reach 100%.

Urgent Post Maintenance Projects. E Board Member: John SCHUTZ and Finance Officer Sid GAUNA recently reviewed the major building problems that **MUST** be resolved immediately. There's no room to list all of those but here are some of the major ones: building windows replacement and sealing; roof retarring; refinishing the Ballroom floor; parking lot usage security solution; remodeling toilets; modernization of the Bunker & Ballroom bars. Addressing these matters has been required for many, many years and cannot be avoided any longer. Resolving these tasks requires money, comrades, and dues alone will not suffice. We need your ideas for revenue generation. Our Parking Lot Funding effort was a great start. I believe we will need to have similar fundraising drives twice each year for a while until the really necessary projects are completed, and that we should ask the community and local business to help us.

KP Duty. We still need kitchen help on Friday nights. Virtually the same people voluntarily do the work (cooking the steaks, collecting the money, delivering the meals, washing the dishes, & cleaning up afterwards) every month. Every Post member, except those physically unable, should perform kitchen duty at least once per year. If all of us did that just one Friday per year, we would have the kitchen covered. Please contact Commander Martinez or myself and volunteer.

That's my input for April, comrades. Please feel free to contact me at anytime at the info below if you have any comments, concerns, complaints, or I can otherwise help you.

HAPPY EASTER!

John Bloecher - AL Riders President

Well I assume everyone survived St. Patrick's Day, we had a great turnout for our March dinner of corn beef and cabbage and steaks. It looked like everyone was having a great time. April 12th the Rider's will be serving Fish & Chips (not the frozen breaded fish crap) but fish we batter ourselves and cook. Plus our famous steaks with a baked potato, vegies & salad. On March 28th we will be doing breakfast, come join us and have one of Melissa's awesome bloody marys.

We have lost one of our brothers and Legionnaires, Ray Wells, he didn't die, he just moved to Pennsylvania. He was a valuable member of our Chapter and a great friend. Good Luck, my brother, on the next adventure of yours and Pat's life. God bless you both.

On April 7th the AL Rider's are hosting their first Quartermania. We will be serving hamburgers, potato salad and baked beans for \$8.00, The bar will be open so come down for the fun. Everyone I have talked to about Quartermanias say they are a lot of fun and the prizes you can bid on for a quarter are pretty nice. We will also have raffle prizes for you to get tickets for.

I want to thank our Commander, Jose, for all his support for the AL Rider's and our various events. We are very grateful being aloud to make our home at Post 132.

As always I thank all my fellow AL Rider's who donate their time to volunteer for our various events.

Well folks I want to wish everyone **A VERY HAPPY EASTER** and go forth and hide those Easter Eggs but don't hurt the bunnies!!!!

I want to start off first with the biggest **THANK YOU** to Paul and Delores for donating their time and money to build us the new lit up beautiful wood boxes behind the bar. They make the bottles glow and now people can see what liquors we carry before ordering. Paul, Delores and Terry also went out and bought new glasses for the bar. There are plenty more new exciting upgrades coming to the bar. If anyone wants to pitch in and help, please come talk to me

Karaoke is great and going even better than expected! Please come support us and have fun doing it!

The bands will play in this sequence this month, 1) DJ Sommer 2) Blue Highway 3) Midnight Cowboys 4) 5 Star. Thank you everyone for your continued support!

Darlene Phillips, Unit 132 President Auxiliary

Here we are going into April and we need to think about ELECTIONS!

Our April meeting will be NOMINATIONS for the upcoming 2019-2020 year. This meeting will be special and held on Tuesday, April 9th at 7:00 PM as this marks the Centennial of our Auxiliary's first meeting held at this Post. It is with great appreciation to all of you for the Volunteerism that you have all given to our Auxiliary, our Veterans, Community and Children. I say that with great pride knowing that the Girls' State participants have all been interviewed and chosen.

We are sending 6 girls to Girls' State this year; Marilyn Harris, with the assistance of both; Carol Goss Holmes and Carolyn McMahon, interviewed these 6 girls. If I missed any others that participated I thank you as well. I know that these 3 ladies were traveling to interviews as they were scheduled.

The "Vietnam Veterans Welcome Home Dinner" took place on March 30, 2019. Thank you, Carol Martinez, for your commitment to this event. Thank you to all those who served during the Vietnam ERA but to all Veterans that have served our Country in all conflicts. Welcome home to all and please keep those in our Hearts and Prayers that did not return home. Thank you to all Veterans that have served this Country.

We have a busy month coming up — April 13th is the Easter Party for the Children; It's very tedious to write to all of you knowing that you all Support our Post.

We appreciate all the efforts that Jean Willis, Terri Rodriguez, and of course we thank Don Manthey for his wonderful skills and hard work in completing the upstairs Ladies bathroom. This project started with a group of women dedicated to the Beautification Project, The Taco Tuesday ladies. The Post is looking so wonderful.

Welcome to all our new members in the Auxiliary. We look forward to your membership.

Our dinner on April 26, 2019, the 4th Friday, we will be serving Meatloaf prepared by Bald Eagle Jack. Thank you Jack for all the support you give to your Legion Family.

- **The List Report** (next door) paid \$900 for the rental

Donations made in March will be reported next month.

In the Legion Account ten members paid their dues. Two new members and five members paid on line. Thanks to those that have paid their dues. If you haven't paid, please do so.

HAPPY

EASTER!

**RAY ALVARADO
SONS COMMANDER**

First of all, I want to acknowledge the SONS for the generous donation to Boys State and the Easter Party. You continue to put smiles on young people's faces.

I don't recall ever attending a SONS meeting where all the chairs were taken. There certainly is a sense of excitement within our Squadron. It was nice to see three (3) new Men in our meeting in March. Thank you: John S. David L., Monte F., and the surprise visit from 1st Vice Commander, Victor De La Rosa.

We are back in the trenches Friday Evening April 5th preparing Fish & Shrimp plates along with French Fries. And of course, don't forget steaks are available as well.

Our "Date Night" gift basket finally arrived at the Post. It includes: a \$50 Black Angus Gift Card; \$25 AMC Movie Pass; \$15 Starbucks Card; a Bottle of Wine; cheese & crackers, and to top it off M&Ms. If you are interested in winning this gift basket, see the Bar Manager, Melyssa or any SON member for ticket purchases. They are \$1 a piece or 6 for \$5. We will roll out our next fundraiser in mid-April.

That's all I have for you now. Once again, have a warm and safe Easter and we will see you at the Post.

Thank You to All Who Have Served Past & Present.

Happy Easter Blessings Everyone!

CIVIL WAR MEMORABILIA

Photos of articles in our Post 132 Remembering our Veterans' Conflicts Museum. Because some of you may not have a chance to visit our Museum, we are sharing some of the items we have collected with you. Also included are items from WWI, WWII, Korea, Vietnam and all other conflicts that are not displayed.

Below - 1856, .58caliber, rifled musket used by Confederate Army Zouave Units and Marine Units on both sides. It has two brass bands holding the barrel onto the stock. Most rifled muskets of the era were of three-band construction to support a longer barrel preferred by The Regular, Light and Heavy Infantry Units of both the Union and Confederacy. The two-barrel Musket was preferred by Marine units on both sides because of his high caliber bullet, lighter weight and it short size which made it easier to use as a club in hand-to-hand combat.

Right - 1850's Amputation Kit. Made in France, this kit was used by both Union and Confederate Surgeons during the war. It is estimated that 60,000 amputations occurred during the four years of warfare. This kit contains: a scalpel, a probe and a bone cleaver. it was used for smaller amputations of the hands, fingers, feet or toes.

Left: 1850's Navy Cutlass. This Cutlass was made by A&E Holler, Solingen of Germany. It was chosen by the US Department of the Navy in the 1840's to be the standard bladed weapon for use in excursions off the ship or for close quarter combat on a ship's deck. It was used throughout the Civil War by both the USN & CSN.

Right: In 1861 First hand grenade designed and developed by the North.

When thrown, the trigger in the bottom would explode, but if it did not hit properly, it would not explode and would be thrown back to the enemy. After several tries it was discarded as ineffective.
