This event is free for members and their families/friends. You are encouraged to bring your favorite appetizer, bread, side dish or desert to share, but it is not required. We will supply the pasta and sauces, plates/utensils as usual! **RSVP to Marion at [mgwe@pacbell.net](mailto:mgwe@pacbell.net) with the number of people in your party.**

An Equinox is the time when the sun crosses the plane of the earth's equator, making night and day of approximately equal length all over the earth and occurring about March 21 (vernal equinox or spring equinox) and September 22 (autumnal equinox). Astronomically, the September equinox marks the end of summer and the beginning of fall (autumn) in the Northern Hemisphere

Many cultures around the world hold feasts and celebrate festivals and holidays to mark the September equinox.
