

VETERANS OF FOREIGN WARS AUXILIARY  
WAYS AND MEANS  
November 2018

Hello Auxiliary Sisters and Brothers:

Dan and I want to thank all the Auxiliaries that stepped up to provide extraordinary support for our veterans by participating in the “Flaming Friday” money raffle and the sale of the President’s Pins. It is through your energetic support that our program goals can be met.

The next challenge is who does more for veterans? Have you seen our photo in the latest issue of WI VFW News? The Auxiliary has challenged the Post to bragging rights to “bridge the gap” to “stardom”. Who will claim the trophy? What great ideas for fundraisers will your auxiliary come up with? Send Dan and I a postcard or a letter telling us how and what you did to raise the money for “who does more for veterans”. Money raised by the auxiliary will go to the Hospital program to help support our hospitalized veterans. Remember this is a **win - win** challenge. Send your donation to: Dept. Treasurer Lenore Otto, 1383 W. Wisconsin Ave, Oconomowoc, WI 53066. The Bridge the Gap to Stardom challenge ends **January 15, 2019**.

Once again *Thank You* for the extraordinary simple acts of kindness you perform each day to support our veterans, our service members, and their families.

***“Believe---We Can Do It” while we are “Reaching for the Stars for Veterans”***
