About Us

Our preschool is an outreach ministry of Indian Run United Methodist Church. Indian Run Preschool began in 1989. The 200 students we serve attend our program 2-5 days a week. We offer morning and afternoon sessions with an option to extend the day by being part of our Lunch Bunch Program.

We pride ourselves in nurturing the child educationally and spiritually in a loving and supportive environment. Our curriculum allows children the opportunity to engage in STEAM rich activities, learn to play cooperatively, and gain both self confidence and a love of learning, all in a safe environment.

Specials

In addition to our daily activities, the children will also participate in Chapel, Movement, Music and Spanish once a month. These specials are taught by an additional staff member with the classroom teachers joining in the fun!

Enrichment Classes

Our enrichment classes are a way to continue to challenge the children by integrating STEAM activities. All age groups have a specific additional class geared to enhance their learning. Check our MonKEy, Angel, Owl Tree House, Firefly Meadow and Under the Sea classes.

Lunch Bunch

Canceled at this time.

Looking for a way to have your child attend preschool 3.5 hours a day? We have an option to extend your child's day by one hour. Lunch Bunch runs each day and children from both the morning and afternoon classes can attend. You can sign up for one to five days a week by the semester. You will pack a drink and a nut-free lunch for your child. We will assist them with lunch and getting them to or from their classroom.
