

Hello Families of Grace!

Welcome to GRACE SUNDAY SCHOOL!

Our program is set up so that all kids participate together. This allows the older kids to help with the younger kids and everyone has a great time! We want the time the kids spend in Sunday school to be meaningful along with being a lot of fun. We have music, a lesson, crafts and games. Kids of all ages from our 3 year olds to our confirmation students and our Youth are welcome to join us.

We understand that our Grace Families have conflicting priorities – From school, to sports and to family events. We put together a program that will take those demands into account, but still provide fun and educational opportunities at our church.

Our program consists of usually (2) sessions per month on Sunday's after service and fellowship time.

Each session will be approximately 50 min long. When there are (2) sessions in the month, we follow the same theme or story for both sessions. The craft and/or games will change but the theme is the same.

Below is the approximate session breakdown:

SUNDAYS 10:25am to 11:15am	
10:25 AM	Gathering/Music
10:35 AM	Story/Stories
10:45 AM	Craft
11:00 AM	Games
11:15 AM	Prayer

Everyone is welcome at every session, but if you can only make it to one session per month that is OK. We want our families to know that they can as often as they are able!

We are including an easy to read Calendar for the year with the dates for all sessions highlighted along with any special events, like the Christmas program and Trunk or Treat. This should help with your planning for the year. Please add this information to your family calendars!

To help with communication for our families so they have an easy way to access any and all information about Grace Sunday School...we will have multiple places to find information:

- The Blue Sheet in our weekly service bulletin
- The Grace Lutheran Website – www.grace53092.org
- Emails from the team to the parents

Our hope is that you feel comfortable participating, even if you are only able to come sporadically!

Peace,

Pastor Bill Beyer and Cindy Karthausser
