Dear Parent,

According to Pennsylvania Law, students are entitled to transportation as follows:

- 1. Non-Public Schools - A District which provides transportation for resident public school students must also make identical provisions for the transportation of resident non-public school students. Allentown School District transports elementary students (K-5 grades) who reside 1.5 miles or more from their school. Non-Public Elementary students (K-5 grades) must reside 1.5 miles or more walking distance from home to school to qualify for transportation.
2. Charter Schools - A District must provide transportation for resident public school students who attend charter schools and reside 1.5 miles or more walking distance from home to school for elementary students (K-5 grades) and 2.0 miles or more walking distance from home to school for secondary students (6-12 grades).
3. Transportation for students who qualify by walking distance must be provided transportation to and from the non-public or charter school in which the student is enrolled, even if the school is located outside the district so long as the distance is not more than 10 miles beyond the district boundaries.

If you think your child is eligible for transportation, please complete the required information below and return this form to your school promptly.
