## Record Attendance as Dorval Pools Open

4,929 SWIMS were recorded in the first two days of operation of D.R.A. swimming pools. Miss Judy Laschinger, Miss Dorval, was on hand to open the 1961 outdoor swimming season. With Miss Dorval is Mrs. Margaret Townsend, D.R.A.'s swimming pool chairman and Bob Hamilton, Manager of Ballantyne Park Pool. The picture of the pool was taken immediately after the opening on Saturday morning.

## NEED FOR C.D. VOLUNTEERS

Mr. George Goodale, Chairman of Dorval's Civil Defence Committee, made an appeal at a City Hall meeting last week for more volunteers for civil defence - approximately another 100 are needed to bring the organization up to peak strength.

During the meeting, Major Lloyd George gave the Army's report on the full-scale army-civilian C.D. exercise held in the city on June 4th. In addition to making people aware of the need for civil defence training in peace or war, the exercise also proved that good communications was of vital importance meriting further study.

Mr. Goodale complimented the curlers first aid teams on their performance under pressure during the June 4th exercise and requested that those desiring to volunteer

contact any one of the following: W.E. McCullough (southeast area) ME 1-6517; David Davies (south central); F. Legg (southwest) ME 1-8378; Mr. W. Johnston (northwest) ME 1-1169; M.S. McKinnon (southwest); Mr. Vic Godbeer (northeast) ME 1-1138; Mr. A.N. Black (northeast) ME 1-0228.

## Opening Of Dorval Playgrounds

Summer is just around the corner and plans are underway for the 1961 Summer Playground Season. Mr. Roger Bastien, Director of Parks and Recreation reports that Dorval should expect a full and varied program of events for the coming season.

This year Dorval will operate eleven play areas under the capable hands of highly trained staff. Parks will swing into action Tuesday, July 4th at 1:00 p.m. and will run until Friday August 25th. Eight weeks of games, sports, crafts, special events, tours, dances and many other varied activities have been planned for the summer.

The summer playground staff is well qualified and enthusiastically awaiting the opening day. Following is a list of the summer staff.

- Area Supervisor - City Recreation Leader Libby Laurie
- Assistant Supervisor - Judy Hanson
- Senior Leader - Dave Fisher
- Monitors:
  - Ballantyne - Erland Pepper - Joan Laschinger
  - Courtland - Yves Pelletier - Sheila Leigh
  - Neptune - Danielle Champeau

- Nihon - Renate Bidner - Francine Raymond
- Oriole Crescent - Sally Hall
- Riverside - Pierre Lespérance
- St. Charles - Murray Thomas - Louis Vallquette
- Surrey Gardens - Fran Laurie
- Victoria - Christine Loveys
- Walters - Mireille Pelletier
- Westwood - Marilyn Loken

- Anyone requiring information about Dorval Playgrounds, please call the Parks and Recreation Department - Mr. Roger Bastien, Miss Libby Laurie or Miss Rita Beaucheme - ME 1-1857.

## HOSPITAL FUND NEARS 60 PER CENT

A large volume of returns during the last few days has raised to \$1,440,000 the total subscribed thus far to the Lakeshore General Hospital Fund.

J.M. Wells, chairman, said that this was the figure as of Tuesday of this week. It amounted to close to 58 per cent of the \$2.5 million goal in public subscriptions.

Mr. Wells said that he expected

## City Council News & Notes

### HANDFIELD CIRCLE ACCESS

A last-minute effort by interested residents of Handfield and Green Circle to see if there were legal grounds to stop the erection of a house on a lot presently used as a foot path access from the area to the Boulevard, went for naught on Tuesday night at City Hall. According to their lawyer, the property in question was offered to Dorval as part of the original development for the sum of one dollar, but due to an administrative default by the city, the lot in question was never transferred to the city. Also, it is not homologated as a future street on the latest master plan on file.

One solution was to have the City expropriate the property and recover the purchase price through the taxpayers in the immediate area; however, the petitioners did not feel they alone should have to pay for this. Since the City Council was unwilling to tax the city as a whole to finance such expropriation, the final decision favored the present owner of the lot, who already has the construction permit.

### BUILDING PERMITS

The monthly progress report on building permits revealed that permits valued at a total of \$413,595 were approved during the month of June, 1961. Accumulative total from the beginning of the year to the end of June was \$1,928,945.

### FILTRATION PLANT BY-LAW

First reading was given to a by-law calling for extension of the present filtration plant in Dorval at a cost of approximately \$800,000. The extension would increase the capacity of the plant from 4,000,000 gallons to 10,000,000 gallons to serve the growing needs of the city proper, as well as the airport terminal and the new TCA base.

### NEW SHOPPING CENTRE

Plans for a new shopping centre of modest proportions between Meadowvale and Javelin facing Cardinal Avenue in the Pine Beach north area were submitted to Council by Lakeshore Homes Limited for approval in principle. The establishment of a service station as part of the proposed project presents a zoning problem and this particular aspect has to be investigated. Although the normal business establishments to be found in a shopping centre

## UNITARIAN ANNUAL MEETING

The annual meeting of the Lakeshore Unitarian Church was held last week in the church hall. It was preceded by a social hour during which members of the congregation enjoyed strawberry shortcake and coffee. Inclement weather prevented the serving of this on the church lawn as planned and also added an unexpected innovation to the business half of the evening. High winds disrupted hydro service and, as the meeting was called to order, the lights flickered and went out. Candles were hurriedly found and the reading of reports continued

smoothly, most of those present having received training in the art of reading by candle-light during the hydro-less days following the ice storm. The president was supplied with a flashlight and his use of it to spotlight those making and seconding motions added a humorous note to the occasion.

Mrs. J.B. Reid reported an increase in the enrollment of the Sunday School sufficient to necessitate classes being held in two sessions next fall. She stressed the need for larger quarters, more teachers, and

## NEWS AND NOTES

*continued from page 1*  
 are covered by the present zoning of this area, service stations are not. The matter was referred to Alderman Milsom for study and comment.

## SEWAGE DISPOSAL PLANT

A letter from Mr. S.M. Elliott of 2 Elliott Place, Dorval, was read to Council Tuesday night. Mr. Elliott objected to the proposed expropriation of Dixie Island for the purpose of erecting a sewage disposal plant connected by a causeway to the shoreline. He was concerned with the obstruction to the flow of navigable water by the causeway and the possible downward depreciation of his property by the proximity of such an installation. Mr. Milsom pointed out that the final report on the preliminary plans for a city sewage disposal plant was not yet in Council's hands. Mr. LeBlanc, City Manager, was therefore asked to acknowledge Mr. Elliott's comments for the record and presumably they would be taken into consideration as and when Council makes the final decision on this project.

## STUDY PROTESTED

During Tuesday night's Council session, Robert Core of 35 Stream Avenue, Dorval, queried the need for the recently-approved study of city administrative practices by a firm of municipal management consultants at a cost of \$3000 when, as he put it, ".... we cannot get any money for parks and playgrounds purposes." He suggested that the initial sum of \$3000 could well grow to serious proportions if there were many recommendations to be implemented as a result of the study.

Alderman Glencross agreed that the sum involved could possibly exceed \$3000. "If the study reveals something wrong, there could be extra charges," he said; "however, if there is nothing wrong with our administration, then no additional cost is expected."

When questioned on the motive behind the request for this type of investigation, Mr. Glencross said it was not prompted by any particular instance of administrative malfunctioning.

"We merely want to make sure we are growing administratively, as we are growing geographically," he stated, pointing out that this type of study was a normal procedure among most municipalities, and large business firms.

In reply to a suggestion that perhaps such a study could have been conducted by a citizen's committee simi-

lar to the Finance Committee, he indicated this was not feasible since the study had to be conducted during normal daytime business hours and was too time-consuming to be handled by a voluntary group.

## PLAYGROUND COMPLAINT

Considerable concern was expressed by Mr. Syd Kingston on behalf of the Dorval baseball fraternity, re the drainage conditions on the ball field at Ballantyne Park. Conditions were such that it was becoming rapidly impossible to play any games there, he said. After some discussion, City Manager R. LeBlanc agreed to try and alleviate the condition at least temporarily, by the addition of several loads of earth to the low spots on the diamond.

## UNITARIANS

*continued from page 1*  
 additional teaching aids. The minister, Rev. Charles Eddis, added his recommendations in this regard and informed the congregation that they now number 197 registered members. He gave a resumé of his duties during the past year and asked for an increased interest in thoughtful long and short-range planning for the future of the church.

The retiring president, John Crowe, outlined in brief the growth of the church during his two years in office. He mentioned the initiation of the Lakeshore Forum, the variety of discussion and study groups formed, and the outstanding success of last fall's bazaar.

Two significant accomplishments were the bringing over of a refugee family and the putting into operation of a funeral plan to combat the high costs of dying. Mr. Crowe feels that a newly-formed Social Action Committee will investigate more such worthy undertakings. He made a plea that the congregation endeavour to find some means to lighten the heavy burden of work now carried by the minister and closed with an expression of his thanks for the cooperation given him during his administration.

Mr. W. Bindman answered some questions pertaining to the funeral plan and requested that those wishing to take advantage of it fill out and return to the church the required forms. These will be kept on file there for future reference.

Mrs. Sylvia Hodgson stated that the Unitarian Service Committee, during the past year, had completed 75 layettes and filled 60 cartons

with good used clothing and several hundred dollars worth of new clothing donated by Templeman's. All had been shipped to those in need of it.

Mr. Jack Cram asked for a show of gratitude to the outgoing president for his painstaking efforts on behalf of the church and the congregation responded with prolonged applause. They then sang "For He's a Jolly Good Fellow."

Mrs. Peg Kenton read the names of those chosen by the nominating committee to serve on the board during the coming year and the congregation signified its acceptance of them by a show of hands. The new president, Malcolm Stevenson, was in Ontario on business so Mr. Crowe turned the chair over to the vice-president elect, Mrs. Rosalind Languedoc, who stated that her one stipulation upon accepting the office had been that she never be asked to chair a meeting "and here I am." She read a letter from Mr. Stevenson in which he accepted the honour bestowed upon him and signified his pleasure in the slate chosen to work with him in the coming months. These included as treasurer, Mr. G.D.H. Stevens, secretary, Mrs. R. Brown, and directors, Mrs. J.B. Reid, Mr. J. McMurrain, Mr. A.B. Hunter, Mrs. A. Lindner, Mr. M. Fleischer, and Mr. W. Bindman. The meeting was terminated at 10 o'clock, a few minutes after the restoration of the electricity.

## IN FOCUS

By K. M.

by Mrs. M. Godbeer,  
Chairman, Dorval Safety Council  
filling in for Kit McTavish

The DORVAL SAFETY COUNCIL welcomes this opportunity to chat with the Citizens of Dorval about Safety - which, after all, is "every-one's business".

The aims of the Safety Council since its organization have been concern for the safety of the residents of this City and to help make Dorval a safer place in which to live. How effective our programme has been has hinged on the support of the Provincial Government, Civic authorities and community organizations.

The committees functioning on the Safety Council at the present time are: A very active Children's Safety Committee working with School Commissions, Home and School and Parent-Teacher Associations, Principals and teachers, to emphasize safety education in the classrooms; and an Adult Committee, (organized at the same time as the Children's Committee), to handle safety problems of the community at large, is slowly finding its way. The object of this Committee is to have representatives from all areas working together and have such problems channelled through the proper authorities for speedy and satisfactory solutions.

The Children's Committee has been instrumental in having an extensive safety programme added to the regular lessons on Safety in the curriculum in all schools in Dorval, but this has only been for children up to Grade VII. We only wish this could be extended to include High School students as well as they are the potential motorist of the very near future. Good riding habits could make for good driving habits.

While working at this level, it has occurred to the members of the Safety Council that citizens and parents, in particular, have the most effective enforcement methods right in their own homes. Would you consider a few suggestions?

1 - The pre-school children who roam our streets with little regard for their own safety. There is a By-Law forbidding the use of the streets as a playground - but it is necessary to ask the police to enforce it. With the beautiful lawns and city parks to use, surely it is our duty to train our children to stay off the streets. If the safety of the child is not to be considered, think of the sanity of the man or woman who might run him down.

2 - The school children are given very rigid instructions of safe conduct to and from school and for the most part they obey the rules "EL-MER" has taught them. Reminding them everytime they go off to school club meetings is not too often and parents can do this so easily. Leaders of children's groups could help too in this regard, mentioning as the children leave Cubs, Brownies, Ballet or music classes to be careful returning home.

3 - Our cyclists multiply every year! Bicycles are being given to younger and younger children as the years go by. Until the Law limiting the age is clarified at 10 years of age, we have pre-schoolers on the road with small two-wheeled bicycles - so-called "side walk bicycles". Of the nearly 2,500 school children eligible for the Bicycle Safety Programme, only 500 took the Dorval Safety Council's tests. Whatever the reasons for the other 2,000 not taking part, the concern for their safety is still with us. Parents have the best opportunity to show by example and attitude how their children should conduct themselves on the roads of our City. A cyclist is subject to the same rules of the road as a motorist - think about that for a moment and then think of the cyclist who has been seen recently! We are sure you all agree that education as well as enforcement is necessary in this field of safety.

4 - Lastly we come to the adults themselves. Not one of us is perfect. Let us each decide whether we are doing our best in the field of safety, thinking of our immediate family, as we do it. The slogan "The life you save may be your own" is too true for comfort.

As a Safety Council, these are a few of our thoughts. You have people in this City concerned about your welfare; help them to help you and your families. Statistics show us the alarming number of accidents we have each year - both crippling as well as fatal - but statistics cannot show how many people are saved. Only our conscience can tell us this statistic.

In this issue of The Dorval Reporter we are making a plea for the safety of our children - will you help by seeing that your children are kept away from the danger spots?

Thank you.

DORVAL SAFETY COUNCIL

**HAPPY BIRTHDAY.** For these eight lucky children it's a birthday party with a difference - a surprise party. Celebrating with them is "Magic Tom Auburn," the host who mixes magic with mirth, hocuspocus with hilarity on Channel 12's top children's program, "Surprise Party." Seen Monday through Friday at 4.30 p.m., the hour-long show sets one day aside per week for birthdays. Those who recently celebrated birthdays are (left to right): Paul Longtin, Judith Brown (N.D.G.), Baby D'Erico (Villie St. Michel), Tam Auburn (host), Lesley McIntyre (Lachine), Maureen O'Hearn, Diane Langlois, Toni Scholefield (Baie d'Urfee), Gale Ormerod (N.D.G.), Louise Tremblay (Laval des Rapides).

### Windsor Gardens Community Association

Windsor Gardens Pony Tail Team under the very able coaching of Doug King and Fred Hamer opened their season with a bang last week by winning their first two games very handily.

In the game against Dorval East the Windsor Gardens battery of Janice Lee and Lollie Smith provided the spark, with homeruns by Brenda Hamer and Wendy Lummis. The game against Strathmore was pitched by Pat Lapointe; Lollie Smith catching. Again the team proved that they are strong contenders for the championship which they won last season.

This year's team has several new players, and they are fitting in very well and show great promise. It is a pleasure to see youngsters like Elaine McKay, Susana King and Christine Gillanders playing for the first time and showing such a keen interest.

Brenda Hamer leads the league in batting with 3 home runs.

By the way, umpires are badly needed, and any fathers interested would be more than welcome.

If the league is to continue to be a success much more attention in the way of maintenance is needed at Nichol Park.

Coach for the Windsor Gardens Pony League team this year is Jim Greenfields, assisted by Jim Crozier.

Summer playground staff for Nichol Park consists of Miss Renata Bedner and Miss Francine Raymond.

Watch for further notice regarding opening date.

**BROWNIES** continued from page 3  
ing of a Hula Dance, Calypso Number, a skit pertaining to Golden Bar tests, "Sleeping Beauty" play, a majorette routine and several solonumbers. Costumes were very colorful, and a most enjoyable evening was had by both the performers and their guests.

### GROUPS COMBINE FOR BENEFIT SHOW

THE MELODRAMA SOCIAL GROUP AND THE LAKESHORE VARIETY PLAYERS are presenting a melodrama entitled "HE AIN'T DONE RIGHT BY NELL" and the Lakeshore Variety players are presenting a musical revue with surprise guests. This big venture is in aid of the new LAKESHORE GENERAL HOSPITAL FUND. The dramatic group is produced by Billie Nixon, Russell Forrest & Ken Fry. The musical revue is produced by Ralph England, Pat Cornish and Phil Pitre.

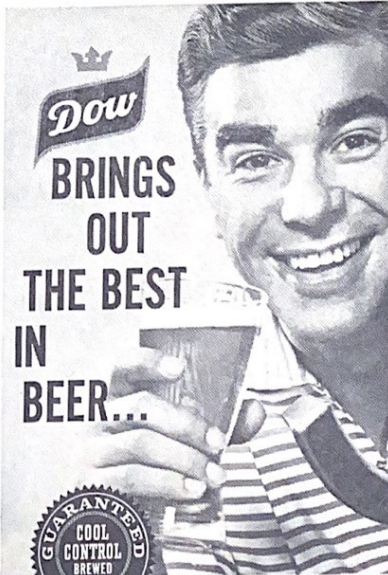

It will be held at The Beaconsfield High School on July 20th, 21st & 22nd.

The title of the entire program is "SUNFLOWER'S '61."

### OUTDOOR SERVICE

The Rev. Donald L. Campbell, B.A., Minister of the Presbyterian Church in Ste. Genevieve, will be the speaker at the Open-Air Drive-In Church Service at the DORVAL GARDENS SHOPPING CENTRE on July 2nd at 8:00 p.m. The topic of Mr. Campbell's sermon will be "THE KING'S HIGHWAY". The Choir of the Ste. Genevieve Church will attend.

Many persons hard-of-hearing, or otherwise handicapped, find that they are able to enjoy these services of worship which are sponsored by the Presbytery of Montreal, The Presbyterian Church in Canada, and which are held rain or shine. Ample sound equipment is provided.

This is to certify that Dow Ale is brewed by the exclusive Cool Control process. This process is continually tested, thereby ensuring uniform high quality.

## DRIVE CAUTIOUSLY . . . NOW THAT SCHOOL IS OUT

A MESSAGE FROM CONSTABLE EDDY KANE, SAFETY OFFICER, DORVAL POLICE DEPT.

### MOTORISTS:

WITH THE CHILDREN OUT OF SCHOOL YOU HAVE A RESPONSIBILITY TO THEM TO HELP THEM ENJOY THEIR SUMMER VACATION . . . Don't you be the one to turn their vacation into a time of tragedy. DRIVE CAREFULLY AT ALL TIMES WITH THEIR SAFETY UPPERMOST IN YOUR MIND . . . BE READY TO STOP TO SAVE A CHILD'S LIFE. THAT CHILD COULD BE YOUR OWN.

### PARENTS:

With the arrival of the Summer Vacation and with our Children out of school, the responsibility for the Safety of YOUR Children now rests squarely upon your shoulders.

# HELP OUR CHILDREN HAVE A SAFE SUMMER HOLIDAY

I urge each and every one of you to accept this responsibility by reminding your children of the need for remembering and obeying the Traffic Safety Rules, even though they are on holidays, because accidents are no respectors of holidays. Further to this I urge you to constantly remind your children AND SEE TO IT THAT THEY FOLLOW the rules of Water Safety. To quote a few, this means . . . NO SWIMMING FOR AT LEAST ONE HOUR AFTER MEALS . . . NO DIVING IN UNFAMILIAR WATERS — FOR FEAR OF STRIKING UNDERWATER OBSTRUCTIONS and DO NOT ENTER THE WATER IF OVERHEATED.

I suggest that you as parents set a shining example yourself by observing all WATER SAFETY RULES and when boating . . . DON'T OVERLOAD . . . BE SURE EACH PASSENGER WEARS AN APPROVED LIFE-JACKET . . . DON'T MIX ALCOHOL WITH GASOLINE — for it's as dangerous on the water as in a car . . . IF THE BOAT HAPPENS TO CAPSIZE, "STAY WITH IT UNTIL HELP ARRIVES" . . . CARRY OARS AT ALL TIMES . . . HAVE A BAILER OR A PUMP HANDY . . . In short use common sense when boating.

### CHILDREN:

Do your part to have a happy and SAFE Summer Vacation by remembering your safety rules and obeying them. For safety rules are just as important during the summer months as at any other time, FOR YOU CAN BE RUN OVER JUST AS EASILY. Remember you can't expect the driver to do all the work to help keep you out of an accident. YOU MUST DO YOUR SHARE . . . by being alert at all times.

REMEMBER TOO THE RULES OF WATER SAFETY, which we talked about before you left school, for they are just as important as your traffic safety rules. If you'll remember them, I'm sure you will have a happy and safe summer holiday.

### TO ALL CITIZENS:

May I take this opportunity of extending to you BEST WISHES FOR A VERY HAPPY SUMMER VACATION "BUT" LET'S ALL WORK TOGETHER AND MAKE IT A NO-ACCIDENT SUMMER VACATION.

Your Dorval  
Safety Council

THIS MESSAGE IS BROUGHT TO YOU BY THE FOLLOWING COMMUNITY MINDED BUSINESS FIRMS:

# DORVAL PERSONALS

ME 1-1628

Mr. and Mrs. Frederick David Hollingworth, Graham Blvd., announce the engagement of their daughter, Joyce Anne, to Mr. George Cook Rowe, of Pierrefonds, Que.

Congratulations to Mr. and Mrs. Gerald A. Turpin, Dawson Avenue, on the birth of their son in St. Joseph's Hospital on June 21st.

Congratulations to Mr. and Mrs. D.V. Dunbar, Allard Ave., who celebrated their eleventh wedding anniversary on June 23rd; to Mr. and Mrs. J.G. Lyman, Neptune Blvd., eleventh anniversary on June 24th; Mr. and Mrs. S. Murray, Sr., Lakeshore Drive, fourteenth anniversary on June 25th; Mr. and Mrs. G. McL. Turner, Wren Ave., whose anniversary was on June 27th; Mr. and Mrs. Peter Theule, Swallow Ave., tenth anniversary on June 30th; Mr. and Mrs. Claude G. Murray, Touzin Ave., thirtieth anniversary on July 4th; and Mr. and Mrs. A.A. Saunders, Graham Blvd., fourteenth anniversary on July 5th.

The sympathy of the community is extended to the family of the late Mrs. N.C. McFarlane who died at her residence on Kernan Circle on June 19th.

The many friends of Rev. Mr. J. Harwood-Jones and Mrs. Harwood-Jones, Swallow Avenue, join in wishing them bon voyage as they sail in the Empress of Britain today to spend two months visiting friends and relatives in England and Ireland. Their children will spend the summer months visiting relatives in

Peterborough and Toronto, Ontario.

A cordial welcome is extended to Rev. Mr. and Mrs. J. Owen and their family of Watrous, Sask., who will occupy the home of the Rev. Mr. and Mrs. Harwood-Jones during their absence.

Birthday greetings to Mr. H. Beaudoin, Violet Crescent, who celebrated her birthday on June 26th; to Mrs. G. Chesley, Mimosa Ave., whose birthday was on June 27th; to Mrs. R.R.B. Dickson, Hyde Park Ave., who celebrated her birthday on June 26th; to Mr. Frank S. Brophy, Brookhaven Ave., whose birthday is on July 2nd; to Mr. D. Newcombe, Pine Beach Blvd., who celebrates on July 4th; and to Mr. Jacob Theule, Swallow Ave., who will celebrate his eighty-third birthday on July 4th.

Birthday greetings to Danny Martel, Chanteclerc Ave., and to George Church, Cloverdale Ave., who both celebrated their eighteenth birthdays on June 26th; to Joan Cunningham, Strathmore Blvd., who was eight years old on June 27th; to Claude DeGagne, Cloverdale Ave., five years old on June 28th; to Peter Lewis, Strathmore Blvd., eight years old on June 30th; to Bob Hutt, Graham Blvd., seventeen years old on July 1st; to Barry Pierotti, St. Leon Ave., seven years old on July 4th; to Carol Lavoie, Robin Road, twelve years old on July 6th; and to Christopher McGowan, Strathmore Blvd. N., ten years old on July 6th.

## CIVIC LIBRARY NEWS

Plans are under way for a display of Model Planes, Trains and Boats, which have been assembled by young adults - to be shown at the

Dorval Civic Library, 40 Martin Ave., (city hall building) sometime in August.

Anyone interested in entering this exhibition please contact Ken Mantha or Bruce Peniston at ME 1-1738 or ME 1-3297 by July 15th.

**Pensions**  
Disability and death pensions were increased 20% in 1957 providing additional annual benefits of nearly \$20 million.

At the same time pensions to widows and dependent parents were increased by 16%.

In 1961 similar increases of 20% were provided by the Progressive Conservative Government.

This new legislation provides increases of from \$360.00 a year for a single 100% pensioner to \$624.00 a year for a married 100% pensioner

with two children.  
At previous rates a married 50% pensioner with two children received \$1,410 a year or \$117.50 per month. At new rates he will receive \$1,722 per year or \$143.50 per month.

At previous rates a widow with two children received \$2,220 per year or \$185.00 per month. At new rates she will receive \$2,784 per year or \$234.00 per month.

The previous maximum for dependent parents was \$1,080 per year for one parent and \$1,380 for two. The new rate will provide \$1,296 per year for one parent and \$1,596 for two.

In addition, the Bill provides the following changes in the Pension Act:

1. Pension on behalf of dependent children will be continued to the end of the month in which the child reaches 16 or 17, as the case may be, instead of being discontinued day following the child's birthday, as is the case at present.

2. When a widow dies, her pension and that of the children may now

## You don't say, Lady Pamela!

Oh, but I very definitely do, Your Grace.

You mean to tell me this charming Lakeshore city has more to offer shoppers than, say, the "big city" stores?

Infinitely more, my deah. Why, I never go shopping in town anymore!

But it seems incredulous, Lady Pamela, that we might expect the same scope and quality in Dorval as we see, for example, on Bond Street or in Continental centres.

Incredulous but true, Claude. Y'see, most discriminating people have moved to Dorval from the hurly burly of the city, and Dorval merchants - charming chaps, by the way - have gauged both their quality and their prices to giving the very most for the very least. Really, dear boy, you must join me on my shopping tour today. You'll be jolly well astounded.

Capitall Lady Pamela, I'll call the coach and four.

Nonsense, Your Grace. Let's walk. There's so much to see in the Dorval shops, one should take one's time.

SHOPPING IN DORVAL IS LEISURELY AND REWARDING. FOR REAL VALUES PATRONIZE YOUR DORVAL MERCHANT.

This message sponsored by the Council of the City of Dorval.

DR. R.F. KELSO, who has practised medicine on the Lakeshore for 47 years, is seen here with Mrs. Kelso prior to boarding a Trans-Canada Air Lines DC-8 for a trip to Scotland and the continent. Before returning to Canada sometime late this July, they will have travelled as far as Naples. The whole trip was made possible when some 500 of Dr. Kelso's patients, some of whom he had looked after for most of their lives, got together to send him on a special retirement holiday with his wife.

 be continued and paid to any person who is competent to assume and has assumed the care of the children. Under the old legislation, it could only be continued to a daughter.

3. Canadians who served with the Allied Forces and have had their pensions supplemented to Canadian rates under the terms of the Act may now receive such supplementary pension no matter where they may choose to live in the world. In addition, Canadians who have such service, and who have had a claim for pension rejected by the Government of the country in whose forces they served, may apply direct to the Canadian Pension Commission for consideration of their claim under the terms of the Pension Act, and if the claim is allowed, will receive pension at Canadian rates irrespective of the country in which they reside.

RAGWEED CONTROL MEETING

A meeting of the Beaconsfield Ragweed Control Committee was held in conjunction with the regular monthly meeting of the Beaconsfield Horticultural Society recently. In addition to ragweed hayfever sufferers, representatives of various service clubs and municipal officials attended.

A panel of authorities on the various aspects of ragweed control presented facts and figures concerning this menace to the health of some 5 to 10% of our population.

Dr. S.O. Freedman, Assistant Director of Allergy, Montreal General Hospital, gave the medical picture of the effects of ragweed on those sensitive to its pollen. He said that there are three ways to control an allergy: to avoid the offending substance; to take injections over a period of months to build up a resistance to it; and to use medications such as the various antihistamines. The best method is to avoid the substance and he felt that eradication of ragweed in any given area would give substantial relief to those sufferers in the area. Some 90% of allergic people are sensitive to ragweed. Although other pollens also cause allergies, ragweed is one of the few it is feasible to destroy since it is a noxious weed. It would of course not be possible to destroy trees and grasses which also cause allergic reactions.

Dr. E.O. Callen, Assistant Professor of Plant Pathology, Faculty of Agriculture, McGill University,

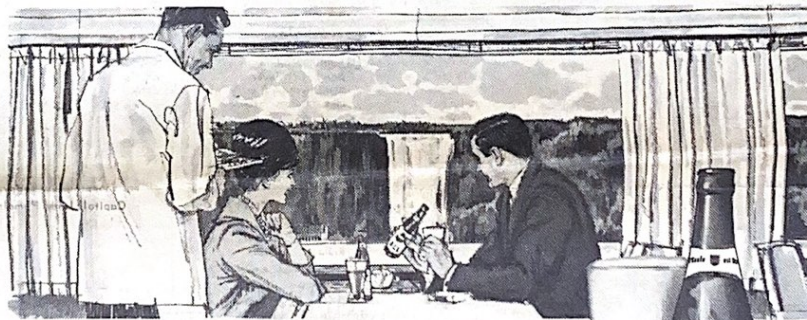

described the weed and told how best to destroy it. He said that the pollen is a comparatively heavy one which does not travel great distances. He felt that a mile or two would be a good estimate of the distance it would travel, which means that ragweed grown in the local area causes most distress to sufferers. The weed grows profusely in newly turned earth such as is found in newly developed areas in the suburbs. Comparatively little is present in untouched fields. He felt that by destroying ragweed in gardens, ditches and along roadsides, the pollen count could be appreciably lowered. If each citizen would pull out by the roots all the ragweed present in his garden early in the season, and if municipalities would spray roads and ditches, the ragweed could be controlled. Those who are not sensitive to the substance could greatly help those who are by preventing the pollination of his own ragweed, which emits millions of pollengrains during August and September. The closer one is to the weed, the more pollen there is to set up the allergic reaction. Although pulling up by the roots in the early stages is the best method of eradication, spraying with 2-4-D (Amine) when ripe is also effective. Care must be taken, he emphasized, not to inadvertently spray broad-leaved plants or bushes in the garden. Dr. Callen said that spraying is easily done by following directions on the can.

Mr. J. Marier, Assistant Director of Sanitary Inspection, City of Montreal, told the meeting about Mon-

treil's programme of ragweed eradication. The city has carried out a continuous spraying programme for approximately 14 years. This work is carried out in conjunction with the Parks and Playgrounds Department, employing at least 3 jeeps equipped with pumps. Trained inspectors make periodic surveys and ragweed is eliminated as a free public service. There are 18 pollen stations situated throughout the City. The daily pollen index, issued via radio for 6 weeks is taken from the station located at City Hall. In the last three successive years the Montreal pollen count has been reduced by 30% over the first seven years of campaigning. Mr. Marier felt that two or three pollen stations along the Lakeshore would give a good picture of the local pollen count. He said that the City of Montreal would be very pleased to cooperate with any fringe municipalities interested in ragweed control as this would also benefit Montreal.

Mr. Marier brought along a pollen station as well as the slides and microscope used in counting the pollen, and explained how the pollen count is found. Mrs. Frances Garwood, Chairman of the Ragweed Control Committee, announced that a pollen station was being set up at the Beaconsfield High School, and that the count was being undertaken by a pharmaceutical firm as part of a research project. It was suggested, that the establishment of other stations might be undertaken by a

service club.

Mr. MacKay, Beaconsfield Town Manager, said that the Town is very interested in the work of the Ragweed Control Committee and would cooperate in any way they could. The possibility of a by-law under the Noxious Weeds Act to force landowners to clean up their property was mentioned as one possibility. The Town would also look into the matter of costs of a town spraying programme.

Many questions were asked following the presentation by the panel members. The meeting was chaired by Mrs. Frances Garwood, Chairman of Beaconsfield Ragweed Control Committee. Mr. Al Saunders of radio station CFOX was present with his tape recorder and promised to continue the publicity which CFOX gave the Committee last year.

**DAY CAMP OPENS MONDAY**

Monday is opening day for the Lachine-Dorval YMCA Day Camp. Members of the Day Camp Meadowbrook Committee met to discuss final plans for the day camp. Mr. Huxley Bourne, chairman; Mrs. E. H. Smyth, Mrs. H.F. Tincombe, Mrs. John E. Saba, Mr. Dick Larock, and Mr. Gordon Glencross, all members of the committee say "It should be a grand summer full of grand memories for the youngsters."

Day Camp Meadowbrook is an experience in outdoor living for youngsters 8 to 12 years of age. Country Campers by Day, Urbanites by Night. They may not know how to spell such words as "character", "self-reliance" or "spiritual value" but they'll live these words at the 'Y' Camp.

Located on a beautiful site along the St. Lawrence River on the south shore of Ile Perrot, Day Camp Meadowbrook provides a great diversity of sports, crafts and other activities for the active camper.

Fees are \$10.00 for two weeks, \$18.00 for four weeks and \$24.00 for six weeks. The three 2-week periods are: July 3rd to July 14th; July 17th to July 28th; and July 31st to August 11th. Trips to camp via chartered buses are made each Monday, Wednesday and Friday with each alternate Tuesday a "special treat".

Registration forms and further information may be acquired by phoning Lachine-Dorval YMCA at ME1906 7-2511.

**HALF N' HALF CLUB**

At the June meeting of the Half 'n Half Club, the following officers were elected for the year 1961/62. Honorary Presidents-Rev. & Mrs. R. M. Turpin.

Past Presidents-Mr. & Mrs. T. A. Ridgway.

Presidents - Mr. & Mrs. R.N. Black.

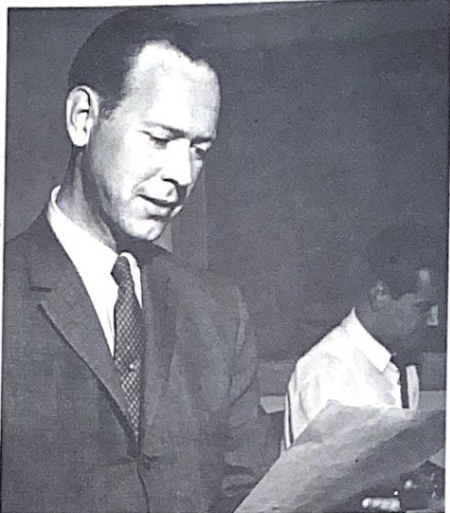

1st Vice-Presidents-Mr. & Mrs. H.G. Walker.

2nd Vice-Presidents - Mr. & Mrs. R. Crain.

Secretaries - Mr. & Mrs. D. Quayle.

Treasurers - Mr. & Mrs. B. Trenaman.

After the evening's business was

concluded, a film show and a Chinese Auction was held.

The July meeting will be a barbecue. For further information please call Bob & Gladys Black at ME 1-0228.

**CNR APPOINTMENTS**

Two appointments in the Law Department of Canadian National Railways headquarters were announced by H. C. Friel, Q.C., vice-president recently.

Wilbur G. Boyd, formerly associated commission counsel has been appointed commission counsel and Pierre Taschereau, Q.C., previously solicitor has been named assistant general solicitor.

Born in Winnipeg, Mr. Boyd graduated from the University of Manitoba with a B.A. degree in 1927 and from the Manitoba Law School with a Bachelor of Law degree in 1932. A member of the Manitoba Bar since 1932 and the Saskatchewan Bar since 1947, he served as a legal officer during

World War II and joined the CNR law department at Winnipeg in 1946 as solicitor.  
Mr. Boyd lives at 7 Second Ave., Dorval.
