Loyalty Program - Details

We are excited to announce a new Loyalty Program for our customers, starting on November 13, 2014.

- Earn one sticker for every \$50 spent on store merchandise
- 10 punches = \$15 off your next purchase of \$50 or more.

We are really excited about this, and we want you to start the program off right, therefore you will be receiving **1 FREE STICKER** from our store when you receive your first loyalty card, beginning on November 13th through December 31, 2014.

The Fine Print...

- Stickers will expire in two years from date of first purchase.
- Once your punches are complete bring the card along with you to redeem \$15 toward your 11th purchase.
- If you spend over 50.00 on a transaction the remaining balance will not carry over to your next visit/transaction at the store.
- If you spend over 100.00 then you will qualify for 2 stickers; 1 for every 50 dollars spent.

Note: Stickers continue on back of loyalty card.
