Liability Release

As a participant in the Quitaque Climb Ride, _____ agree to abide by the rules of AERC, TERA, and the Wacky Waco ride rules. I understand that endurance riding involves being in remote areas for extended periods of time, far from communication, transportation, and medical facilities, that these areas have many natural or man-made hazards which ride management cannot anticipate, identify, modify or eliminate: that horses can be excitable, difficult to control and unpredictable; and that accidents can happen to anyone at anytime. I agree to take full responsibility for myself and the animal I am riding. I will hold the ride management, all ride personnel, and all property owners over whose land the ride covers, blameless for any accident, injury or loss and free from all liability of such injury or loss that may occur due to my participation in the ride. I have read and understand this liability release.
