NAWIC Builds: Leaders *Your Education; Your Career; Your Future*

Dear Community Member,

The National Association of Women in Construction (NAWIC) is an international not-for profit organization comprised of women employed in various construction-related fields that promote the construction industry.

The **Fargo-Moorhead, ND Chapter #246** of NAWIC provides support for the local women in the construction industry by promoting professional development opportunities through speakers, tours, and networking. The Chapter also supports educational programs for children K-12 with the "Block Kids Competition" and "Design Drafting Competition" as well as provide scholarships for local students pursuing an education in a construction related field through the Onie Loeks Memorial Scholarship Fund.

We are asking for your support with our **40th Annual Industry Auction fundraiser** to be held **Thursday, November 15th** at the **Holiday Inn, 3803 13th Ave S., Fargo, ND.**

Please consider donating an item, service, or monetary donation for our event! All those making donations will receive recognition in the Auction Program. Supporting this event provides a unique opportunity for your business to help the future construction industry leaders gain knowledge and strive for career excellence.

If you would like us to pick up your donation or have any questions please call Amy Berg at 218-234-6633 or email at aberg.nawic@yahoo.com.
