A helping hand from Hogs Back Brewery

We are delighted that this local Craft Brewery has again joined with us to help drive our Pint-a-Week Appeal total to £2m.

"The first ever brew of 10 brewer's barrels (around 3,000 pints) began at 6 am on the 4th August 1992 and sold

out rapidly through a few local pubs. Today we brew 300 barrels (57,600 pints) a week, selling to more than 500 pubs, clubs and restaurants throughout Surrey, Sussex, Hampshire and Middlesex. We hope to involve many of them in our fundraising for the Prostate Project.

"Prostate cancer has directly touched families of staff at the brewery, so this is a very appropriate charity for us to support. I have always believed there is much to be gained from companies forging strong links with local charities."
Rupert Thompson – Chairman (www.hogsback.co.uk)
Patron – The Prostate Project

About our charity

The Prostate Project is a registered, Guildford based charity established in 1998. We pride ourselves in being largely run by volunteers with admin costs of less than 4%. At least 96 pence in every pound you donate to us goes straight to the point of need. Over the last 18 years we have raised over £8 million. We are dedicated to raising greater awareness of prostate cancer and to improving treatment and care for patients. Please help us if you can.

Donations can be made through this leaflet or on our website at: www.prostate-project.org.uk

A model new facility

"I am very pleased that we are able to progress this project, which recognises the Trust's commitment to Urology services and in particular the treatment of prostate cancer.

Site of the new Royal Surrey Urology Centre adjacent to St Luke's Cancer Centre

we can all be proud of

"I appreciate that the pause, particularly for the Prostate Project and its generous donors, has been difficult, but it is now the right time to move this ambitious build forward".

About our 'Pint-A-Week' Appeal

The average cost of a pint of beer in Surrey is **£3.80**. If we can convince 1,350 men to donate the equivalent of a pint per week to our Urology Centre 'Top-Up' Appeal over the next 18 months, we will raise another **£400,000**.

CAN YOU HELP US? MOST MEN WILL NEED TO VISIT THE NEW CENTRE AT LEAST ONCE IN THEIR LIVES...

A big 'Thank You' to the **Surrey Advertiser** and **Hogs Back Brewery** for supporting us.

"This will change forever how Urology patients are treated at the Royal Surrey County Hospital"

Professor Stephen Langley, Consultant Urologist

"When we started the Prostate Project in 1998, this was always our ultimate goal"

Mr John Davies, Consultant Urologist and Co-Founder of the Prostate Project

Why we need a new Centre

The Royal Surrey's ability to deliver the finest quality care is being hampered by a serious lack of dedicated space. There is nowhere to run collaborative clinics or to treat patients in the manner they deserve.

Now all that will change. The new Centre will enable consultants to host joint prostate cancer team meetings with their colleagues in the South West Surrey Region and to run joint collaborative clinics. It will be an essential step towards a one-stop shop for men with prostate cancer.
