DESCRIPTION: This old gal is in really great shape for her age. I put this bow to a stress test (held at full draw for 24 hours) to make sure the old glues held and no stress cracks appeared. Northern Maple and Walnut riser. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No crazing or stress cracks; A few minor scratches and nicks here and there. Decal is in good condition. At 61#@26" this bow requires a strong guy to shoot it. If you are looking for an attractive high poundage vintage bow, this is a really good one. Comes with the used, but serviceable, string as shown.
