Colour Fun Run | Fall Field Trips | Missions Focus | Spiritual Emphasis

Fall Field Trips

In addition to our usual fall field trips, we added a new field trip this year, taking our students to Wagonwheel Ranch. It was so much fun!

From the Principal's Desk

This fall, I had the pleasure and privilege to share with our school families the exciting news that a group of major donors had purchased a new home for Sudbury Christian Academy, paid in full at no expense to the school.

Additional donors have begun to commit to six-figure name gift opportunities to fully fund the renovation and outfitting of our new facilities. Repairs have already begun, with plans for volunteer painting in the spring. Get ready!

In September 2020, we start a new chapter in the history of Sudbury Christian Academy — on independent footing with plans to expand beyond our preschool and elementary divisions to include a high school program in the next five years.

“You can be sure that God will take care of everything you need, his generosity exceeding even yours” (Philippians 4:19 MSG).

Missions Focus

Our SCA missions team has committed to several local and global missions projects this year, beginning with Operation Christmas Child. Our school families packed a total of 37 boxes which will bless the lives of as many children in need.

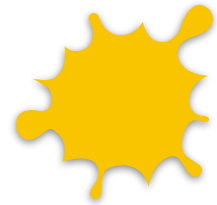

Spiritual Emphasis

This year, all of our chapel messages are centred around the concept that God can use any circumstance in our lives to bring about a greater good, if we will allow him. That includes the most difficult of trials and tragedies – somehow used for good in the hands of a loving God.

Colour Fun Run 2019

To cap off this year's cross country running season, we held our second annual colour fun run. It was a blast ... of colour!

Bullying Awareness Week >>

Speaking of colour, we closed out a week of reflection on the topic of bullying with a Wear Pink day in solidarity with those who have experienced bullying in their lives.
