WE NEED YOUR CONTRIBUTIONS!!! WE NEED YOUR CLASS NOTES!!!

Contributions from last summer's *Highlights* are down, and we are in need of your contributions. We receive no support from the high school or the school district. We rely on your contributions - and only your contributions - to support the Alumni Association's dual missions of awarding college scholarships to worthy graduating seniors and keeping you in touch with your classmates through publication of the *Alumni Highlights*.

Our expenses are minimal! Other than the costs of publishing the Highlights, mailing this letter, and a small annual stipend for our Executive Director, we have no major expenses! **YOUR CONTRIBUTIONS ALONE SUPPORT SCHOLARSHIPS, THE HIGHLIGHTS, AND OTHER ALUMNI ASSOCIATION ACTIVITIES SUCH AS THE ALUMNI HALL OF FAME, WAR MEMORIAL, REUNION ASSISTANCE, AND OUR NEW EFFORTS TO IMPROVE ELECTRONIC OUTREACH. WE NEED YOUR CONTINUED SUPPORT.**

It is our sincere hope to double the number of contributors this year and award you the recognition you deserve by publishing your name and the amount of your gift in our upcoming Highlights! Many organizations pay to have calls made to their members. We respect your privacy and will never turn our database over to any third party.

PLEASE SEND IN YOUR CONTRIBUTIONS AND CLASS NOTES TODAY! We appreciate your past contribution. We are hopeful that you will continue to support our organization and the young people who are so deserving of the support we give them in facing the ever-increasing costs of a good college education.

Many thanks,

Josh Gross
